I would like to request proof of where the Cambridgeshire Residents Council Tax Payments are being spent.

1. I would like to see the previous 3 years of receipts for where the council tax funding is being spent. I do not want to see percentages but proof in pounds (£s) as to where the annual council tax is being spent please.
2. I would like to know if my council tax funds Cambridgeshire Police Service, Cambridgeshire Ambulance Service, Cambridgeshire Waste collection and Schools. If so I would like to know as to what percentage it is distributed please?
3. Also, which law, not legislation, states that council tax must be paid?
4. Which law states that it is a criminal offence to not pay council tax?
5. Please attach the copy of contract in where I agreed to pay for council tax. Please keep in mind that an ‘assumptious agreement' does not stand up in court.
