

Brinkley

A Vision for Brinkley

Have your say on the future of Brinkley

- **What do you want to change or improve?**
- **What do you want to protect?**
- **What facilities would you like to see?**

What do you think? We want your views on how Brinkley should change in the future. What sort of place would you like Brinkley to be? What are your priorities for the village and the wider Parish? Your views will help us to form a long-term vision for Brinkley which sets out how it should develop over the next 20 years.

What will the Vision do? The Vision will be used to guide decisions on future development and planning applications. It will also help ensure that key infrastructure and facilities are provided and improved. The Vision will be included in the statutory development plan for East Cambridgeshire - known as the 'Core Strategy'.

How do I comment? Comments should be made by 18th July 2011 and respondents are encouraged to fill in the questionnaire online at <http://www.eastcambs.gov.uk/local-development-framework/brinkley-village-vision>. Paper copies of the questionnaire should be returned to the Forward Planning Team, East Cambridgeshire District Council, The Grange, Nutholt Lane, Ely, Cambridgeshire, CB7 4EE. There will be a further opportunity to make comments on the draft Vision, which we hope to publish in early 2012. If you have any questions please contact the Forward Planning Team on 01353 665555.

Any information that you will provide will be used for the purposes of the Core Strategy, and processed in accordance with the Data Protection Act.

A total of 4 people responded to this question with 100% of respondents stating that their main interest in the development of Brinkley was as a local resident.

Q4. How would you like to see the village change or improve in the future? Please list your top 3 priorities below:

A total of 11 suggestions were made on how the village could improve in the future:

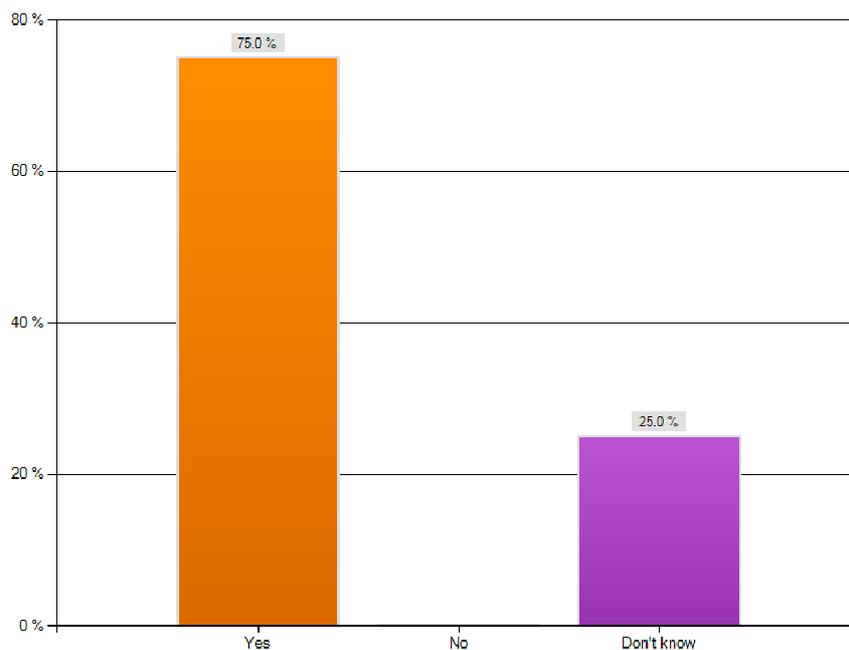

- Traffic control (4 comments)
- Preserve Conservation Areas (3 comments)
- Public realm improvements (2 comments)
- New village shop/post office (2 comments)

Q5. Do you think there should be housing growth on the edge of Brinkley? Please choose one of the following options:

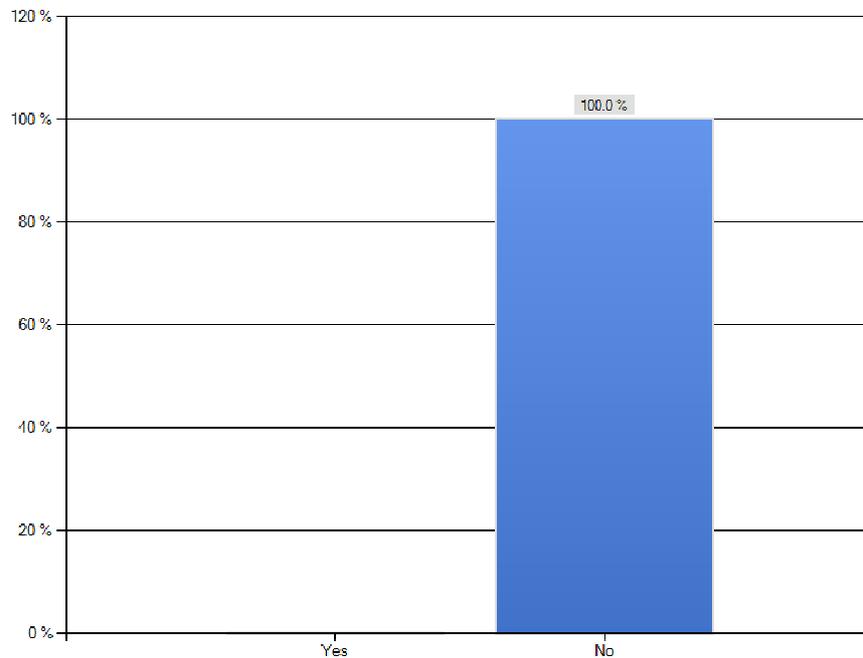

A total of 3 people responded to this question. All respondents thought that housing growth should not be allowed outside the development envelope on the edge of Brinkley.

Q6. Housing development will continue to come forward on small sites within the development envelope of the village. However, schemes are currently limited to a maximum of 2 dwellings. Do you think this approach should continue?

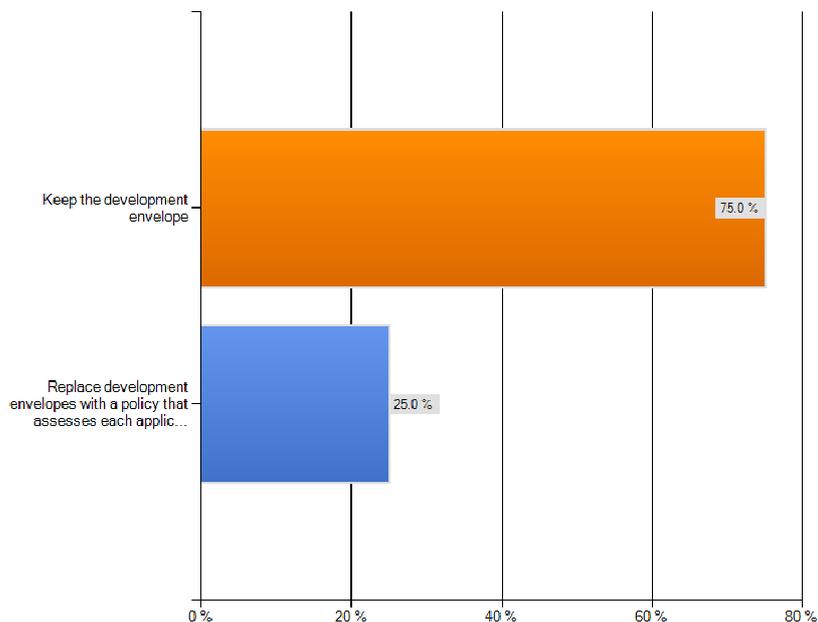

A total of 4 people responded to this question. Of the 4 respondents, 75% supported retention of the current policy to restrict housing schemes that come forward within the development envelope to a maximum of 2 dwellings.

Q7. Would you like to see more opportunities for small businesses in the village (e.g. offices, industrial units, workshops)?

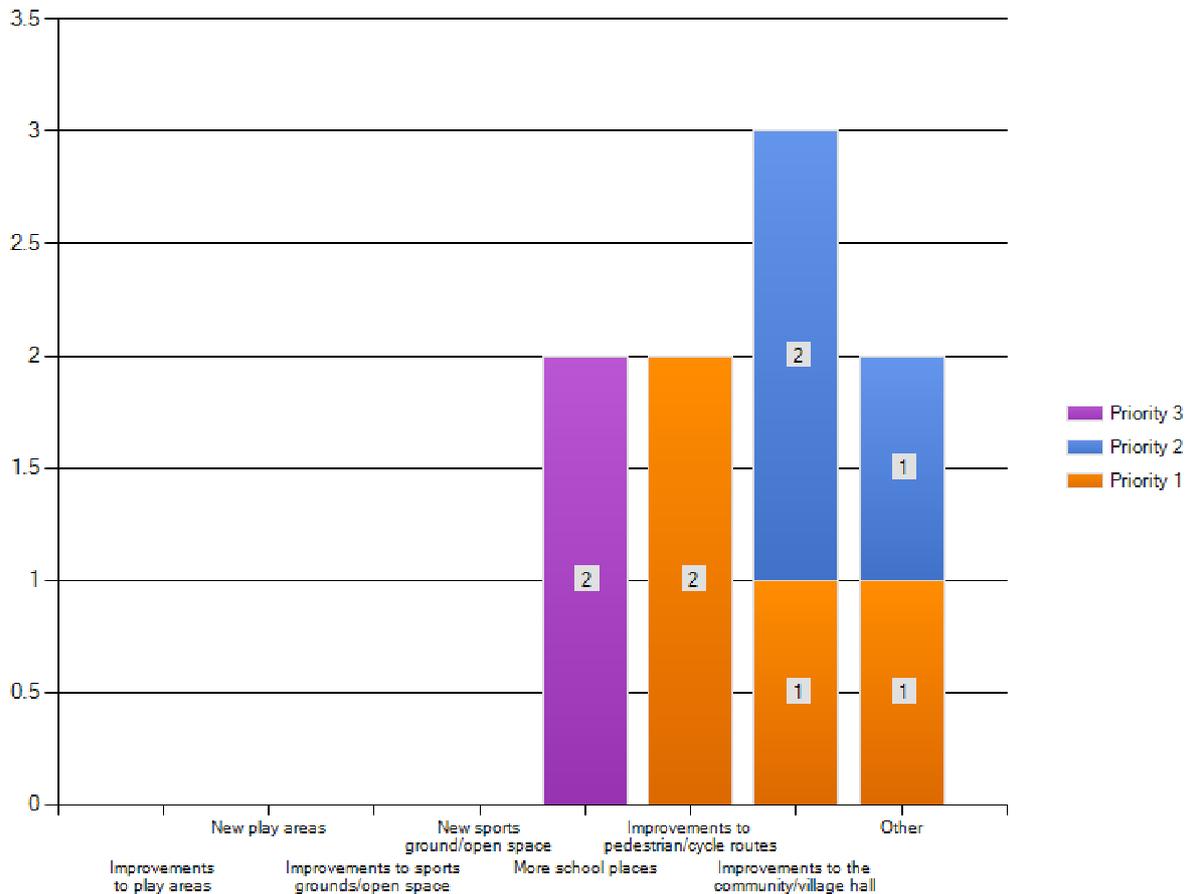

A total of 4 people responded to this question. All respondents would not like to see opportunities for small business in the village.

Q8. The development envelope marks the built up area of the village where development is normally allowed to take place. The area outside the development envelope is protected as open countryside. Which of the following approaches would you prefer?

A total of 4 people responded to this question. Most respondents, 75%, stated their preferred approach would be to keep the development envelope, whilst 25% thought that the development envelope should be replaced with a policy that assesses each application on its merits.

Q9. The District Council can secure funds from developers to spend on improving local infrastructure and facilities. If new development comes forward in the village, what benefits would you like to see? Please select your top 3 priorities from the list:

A total of 4 people responded to this question. Overall, the need for improvements to pedestrian/cycle routes (2 people) and improvements to the community/village hall (3 people) scored most highly.

When analysed in terms of priorities improvements to pedestrian/cycle routes ranked highest as priority 1, more school places ranked highest as priority 2 and improvements to the community/village hall ranked highest as priority 3.

Of the respondents who selected 'other' the following improvements were suggested:

- Protection for wildlife and Conservation Areas
- Traffic measures

Q10. For the priorities you have selected in Question 9 above, can you provide more detail on what these improvements should be and where they should be located?

One person responded to this question with the suggestion that local wildlife sites should be protected as County Wildlife Sites.

Q11. Please use this space to make any other comments:

One comment stated that the village only contains 100 houses and is too small for commercial development.
