*The above local authorities are part of the same Housing Market Area (HMA) as East Cambridgeshire District Council as defined by the Cambridge Sub-Region Strategic Housing Market Assessment (SHMA). A SHMA should identify the scale and mix of housing and the range of tenures that the local population is likely to need including people wishing to build their own homes. We are therefore asking applicants to disclose if they have joined the

registers of these particular authorities so that the total demand for self build within this HMA can be measured more accurately.
