

# TEST DRIVE

## YOUR BUSINESS IDEA

Do you ever  
**dream** of  
working for  
**yourself?**

**We** can help  
you turn that  
**dream** into  
a **reality!**

**CALL NOW ON 01353 644144**

The Ely Business Hub is dedicated to helping you develop your ideas or potential into a new business. Starting a business can be a daunting experience with so many questions, considerations and decisions. The Ely Business Hub has brought together the best in public and private sector partners to offer advice, mentoring, free office space\* and even business ideas for those with the talent and drive but missing inspiration!

COME AND TALK TO US-

## **BUSINESS ADVICE**

One to one advice- business planning, finance, information and access to free courses. No matter what the question, our one to one advice provides all the help you need in building your future business.

## **SHAPE YOUR IDEAS**

Private sector mentoring- our mentors have started and managed many successful companies. They have the experience that can help you to develop your ideas and build a sustainable business.

## **PICK UP A BUSINESS IDEA**

Full of drive, ambition and talent- the Ely Business Hub can match your talents to the right business idea. Our private sector entrepreneurs are looking for the right candidates to take up their business ideas and turn them into thriving enterprises.

## **FREE OFFICE SPACE**

The Ely Business Hub office incubator is a unique opportunity for ambitious start-ups to benefit from rent-free office space\*, giving them room to grow and develop.

## **ON-GOING SUPPORT**

Once you are part of the Ely Business Hub you will find an ongoing network of like-minded entrepreneurs. Access to information, events and networking will add value to the long-term potential of your new business.
