

Community Fund Grant for Community Run Services

The Community Fund Grant aims to work in partnership with local communities to help provide community run services that meet at least one of the Council's priorities around Young People, Older People, Rural Communities and People with Disabilities.

- For the costs of setting up and running events and services, such as room hire, salaries, overheads, travel etc.
- For new projects or enhancing existing provision
- For voluntary or community based organisations that operate on a not-for-profit basis, or community social enterprise organisations

Example Projects:

- Youth club – funding to start a new youth club facility
- New basketball club – funding for court hire and referee fees
- Toddler group – funding to start up a new toddler group with hire of venue and play leader

Funding available:

- Between £250 - £1,000 funding available
- Up to 75% of total project costs
- Requires 25% cash match funding
