Subject: [EXTERNAL] East Cambridgeshire Local Plan - Single Issue Review Proposed modifications Consultation Response

Dear Sir/Madam,

Our Ref: 442987

East Cambridgeshire Local Plan - Single Issue Review - Proposed modifications

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England can confirm that we are satisfied with the District Council's position as set out on pages 3-4 of the modifications document in respect of the implications for SEA / HRA of the proposed modifications (of which, it is concluded there will be no implications), and we do not wish to make any further comments.

Yours faithfully,

Dominic Rogers
