37	The Bull	Bradley Road Burrough Green CB8 9NH	Burrough Green Parish Council	The public house is the only pub within the Parish. It is accessible to all residents and family focused. In addition, it is also used by residents of neighbouring villages (in neighbouring Parishes), which do not have a pub within their villages. A wide range of village events take place at The Bull including fireworks, sports events, family bank holiday events, Christmas concerts, music, as well as bingo and quiz nights in aid of the local playgroup. The playgroup hosts their regular meetings at The Bull. The pub has a village Petanque team, and a Petanque court at the rear of the premises. This is the only Village sports team and the also host competitions at the premises. The Bull is host to the annual Newmarket Classic Car Club New Year's event, along with other Car Club events through the year. The pub hosts (in non-Covid times) the village Christmas meal, where the village residents who have volunteered their time to support the community are invited to this special annual event. 36	Red Lion	42, High Street, Swaffham Prior, CB25 0LD	Swaffham Prior Parish Council	The Red Lion is the only public house open in the village and as such, acts as a social and cultural centre to the village and its inhabitants; in the times of COVID19 it has provided an essential service to many elderly residents in stocking foodstuffs and selling at cost which has been valued by the parish council and local residents. The pub (pre-Covid-19) has been used by the community for a range of activities including a crib team and women's darts team. The pub is being used by the Community Heating Scheme as an information centre, for example in October 2020 they showcased a heat exchange unit in there. The venue has been used to showcase presentations and conduct consultations, including during Covid-19. All meetings of the Swaffham Prior Sports and Social Committee are held at the pub. There is no other community space in the village, as the Village Hall is currently closed due to Covid-19. More emphasis is being put on the pub because that is the only open commercial site in the village (there is no post office and no shops). The pub is always open as a meeting place in the afternoons (subject to Covid-19 restrictions) for anyone, and several groups have used it. The Red Lion is available for any meetings taking place in the village	<input type="checkbox"/>	04/09/2020

33	The Blackbirds Inn	36 Ditton Green, Woodditton CB8 9SQ	Woodditton Parish Council	The nomination for the Blackbirds Inn, Woodditton to become as Asset of Community Value has been succesful. Woodditton has no indoor community space or other public houses and therefore this venue is essential for providing an outlet for community interaction, activities and engagement that could enhance the social wellbeing, or cultural, recreational or sporting interest of the local community. In the recent past the venue has been used by community groups for events such as birthday celebttations, sporting evenings and dinners, as well as cultural activities such as craft and gardening markets, art classes and bridge meetings, therefore it is envisaged that due toa lack of an alternative, it is likely that this willcontinue. The application also explains events and activities that have taken place at the venue.	<input type="checkbox"/>	30/07/2019
