## Preface

This East Cambridgeshire Local Development Scheme (LDS) was approved by East Cambridgeshire District Council at a meeting of its Council on 21 April 2022 and came into effect immediately. It replaces the previous LDS, dated 22 October 2020.

If you require any further information regarding the Scheme, please contact a planning policy officer of Strategic Planning Team on (01353) 665555 or by email to [planningpolicy@eastcambbs.gov.uk](mailto:planningpolicy@eastcambbs.gov.uk)

This LDS is produced under section 15 of the Planning and Compulsory Purchase Act 2004 (as amended).

# East Cambridgeshire Local Development Scheme 2022 to 2023

## 1. Introduction

- 1.1 The Local Development Scheme (LDS) is a timetable which sets out the Development Plan Document(s) (DPDs) that a local planning authority intends to produce over the next few years. Such DPDs are also often more commonly known as Local Plan(s) for an area.
- 1.2 This East Cambridgeshire LDS sets out the timetable for East Cambridgeshire for the period 2020 to 2023. It explains when the Council intends to reach key stages in the preparation of a new Local Plan. This LDS replaces the East Cambridgeshire LDS which was adopted in October 2020, albeit in reality it is very similar in content to the October 2020 version but with a very slight update to the timetable in Table 1.

### The Local Plan and Supporting Documents

- 1.3 National planning policy is headlined by the 'National Planning Policy Framework' (NPPF). Locally, the East Cambridgeshire planning policy framework comprises more than just DPDs (Local Plan).
- 1.4 In summary, the local set of documents comprises the following:
- **Development Plan Documents (DPDs):** These are documents (often referred to as 'Local Plans') that form part of the statutory development plan for the area. They are prepared by the relevant plan-making authority and are subject to independent examination by a planning inspector appointed by the Secretary of State. For East Cambridgeshire, as at April 2022, they are the East Cambridgeshire Local Plan (April 2015), and the Cambridgeshire and Peterborough Minerals and Waste Local Plan (Adopted July 2021). This LDS explains that the East Cambridgeshire Local Plan (2015) is in the process of being partially updated.
  - **Policies Map:** This is a map on an Ordnance Survey base for the whole of a local planning authority's area which shows where policies in the development plan apply. The Policies Map may include inset maps for particular areas to show information at a larger scale. The Policies Map is updated each time that a relevant document (i.e. a DPD or a Neighbourhood Plan) is adopted.
  - **Supplementary Planning Documents (SPDs):** These can cover a wide range of issues on which the planning authority wishes to provide guidance to supplement the policies and proposals in its DPDs (Local Plan). They do not form part of the statutory development plan and are not subject to independent examination. The District Council can decide to produce an SPD on any appropriate subject whenever the need arises. There is no requirement for this LDS to set out a timetable for the production of any SPDs.
  - **Neighbourhood Plans:** Local communities, including Parish and Town Councils, can now prepare Neighbourhood Plans (NPs) putting in place policies to guide the future development of their area. Any NP must be in general conformity with 'strategic policies' in DPDs (Local Plan) and with national policy. NPs are not able to propose lower levels of development than those set out in up to date Local Plans but could propose higher levels, or offer other detailed policy proposals. It is up to local communities to decide if it wants to produce a Neighbourhood Plan and so it is not appropriate for this LDS to specify when, or for where, they will be

produced. Any NP, if adopted, has the same status as a DPD. At the time of writing, three Neighbourhood Plans (Sutton, Fordham, Witchford) have been completed in East Cambridgeshire. Others are under preparation.

- **Statement of Community Involvement (SCI):** This is a document that explains how the local planning authority will engage the community in the preparation, alteration and review of planning documents, and in development control decisions. It is required to specify how and at what stages people will have the opportunity to be involved in planning for their area. A refresh of East Cambridgeshire's SCI was published in July 2018.
- **Authority's Monitoring Report (AMR):** This is a report which must be produced by the local planning authority (on an annual basis) to explain how the LDS and other planning policies are being implemented and the extent to which policies in the Local Plan are being achieved.

1.5 Further details on the adopted East Cambridgeshire documents can be found in Table 2 and Table 3 in this LDS, and on our website (<https://www.eastcambs.gov.uk/local-development-framework/planning-policy>).

### **Joint Working Arrangements and Joint Local Plans**

1.6 The District Council has a good track record of joint working with other authorities, and has especially close ties with other Cambridgeshire districts.

1.7 However, there are no plans to establish formal joint working arrangements or a joint committee (under section 29 of the Planning and Compulsory Purchase Act 2004) with any other local planning authority, but the District Council will fulfil its responsibilities under the duty to co-operate requirements of s33A of the Planning and Compulsory Purchase Act, and be open to the possible production of joint evidence studies, and, if appropriate, the preparation of a joint plan or SPDs.

### **2.0 Local Plan Timetable**

2.1 There are a number of stages involved in producing a DPD (Local Plan). This process allows for opportunities for the public to be involved, early resolution of conflicts/objections, and an Independent Examination. The stages in producing a Local Plan, and the intended time of those stages for the new Local Plan, are set out in Table 1.

### **3.0 Subject Matter and Geographical area of the emerging Single Issue Review of the East Cambridgeshire Local Plan (DPD)**

3.1 To meet the requirements of section 15 (2)(b) of the Planning and Compulsory Purchase Act 2004, it is confirmed that the subject matter of the emerging Single Issue Review of the 2015 Local Plan (DPD) for East Cambridgeshire will cover:

- An update to Policy GROWTH1
- Consequential update to the supporting text associated with GROWTH1
- Updated explanatory text to explain the Single Issue Review
- If necessary, consequential update to other policies (or supporting text) in the Local Plan which arise from the updating of Policy GROWTH1

3.2 Whilst not forming part of the Local Plan, there may be consequential amendments to the Policies Map, to reflect the amendments arising from above.

3.3 The Local Plan (as amended by the Single Issue Review) will continue to cover the whole administrative area of East Cambridgeshire.
