Overview of Performance Management Services

Performance Management Services comprises, 1 Full-time Performance Management Officer.

Performance Management Services supports all services across the Authority with strategic performance measures linked to the Corporate Priorities.

The Performance Management Officer monitors service outputs, supports other Service Delivery Leads with their service planning processes, ensuring that the public is kept informed about Council performance and helps to provide practical solutions to produce a high performance culture which is embedded into the vision of the Council.

The role requires a great deal of partnership working across all services within the Council to ensure that there is a clear correlation between the outcomes of the authority and Council's Corporate Plan. Effective performance management enables the Council to demonstrate how it is meeting the needs of the local community and where the main focuses are.

A yearly End of Year performance report is produced by the Performance Management officer, which highlights outcomes of each service against the Council's Corporate Priorities. Each household receives a copy around East Cambridgeshire.

In addition to the performance management role, the Performance Management Officer had led on the project management of the migration to a new HR and payroll system and introducing Lean System thinking into the Council. Both projects will bring about significant business efficiencies.

The cost to run the service totals; £57,631.00 which includes salary costs and on costs.

How does the Service link in with the Council's Corporate Plan?

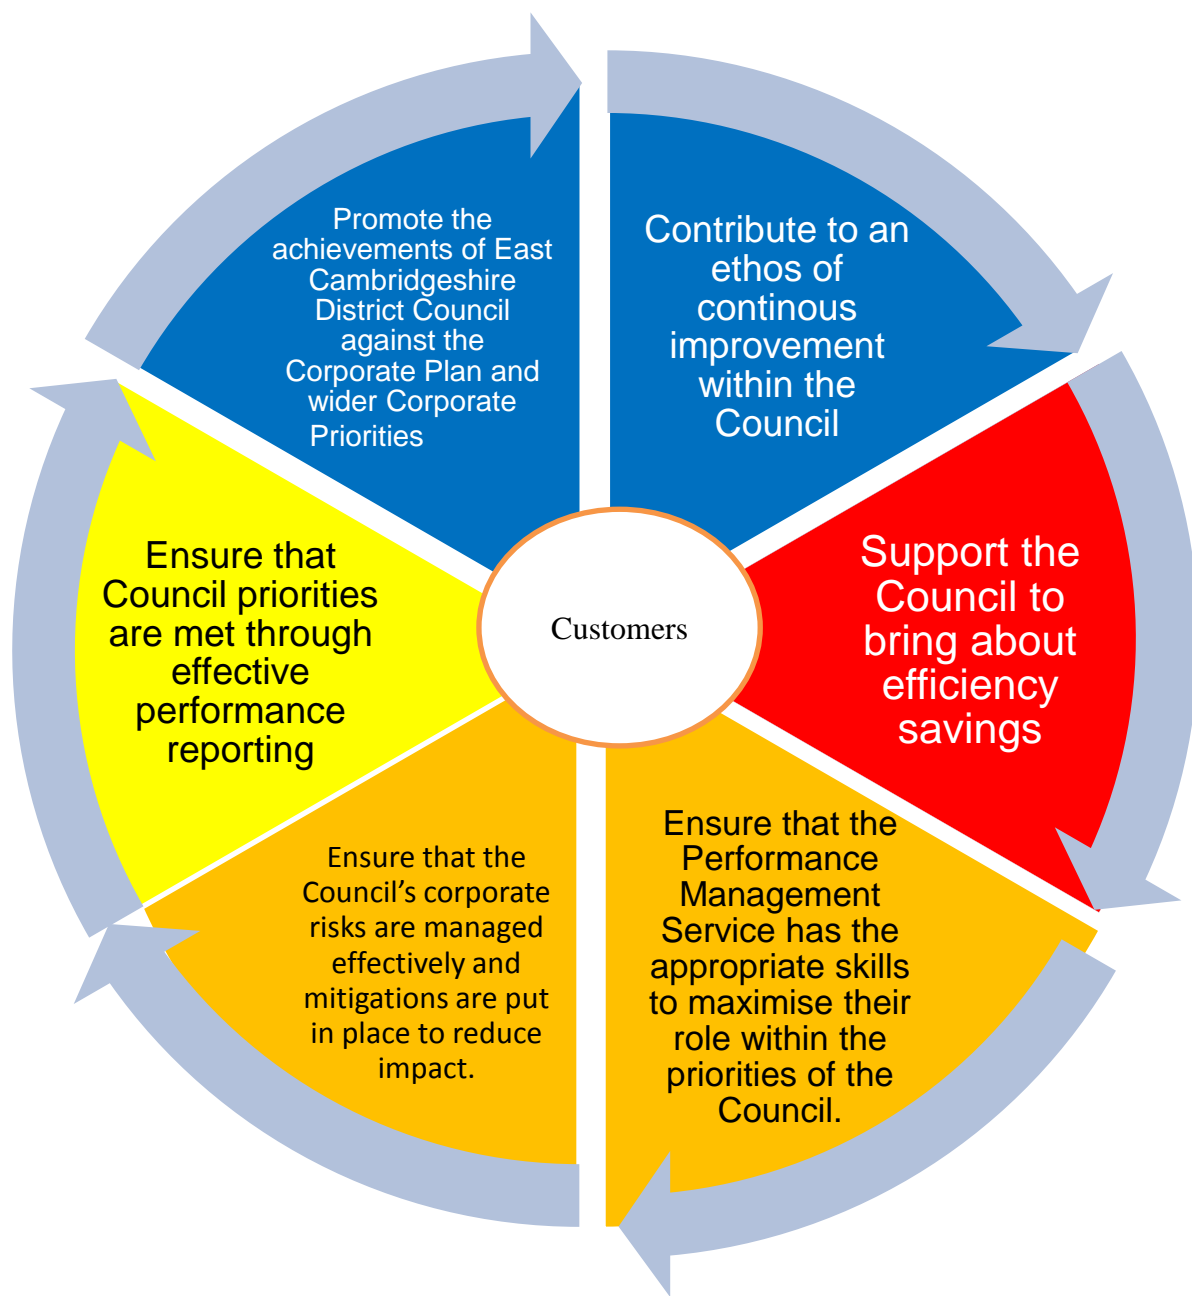

The Service links in with the following priorities;

- **The Service is customer driven with "Delivering a financially sound and well managed Council"**
- **Providing clear opportunities to ensure that East Cambridgeshire continues to be "A fantastic place to live, work and visit"**

The Service provides support across the Council to all services and therefore it helps to support the majority of the outcomes within the priorities of the Corporate Plan.
