**Examination of the East Cambridgeshire Local Plan – Single Issue Review**

**Notice of Examination Hearings (Regulation 24) Town and Country Planning  
(Local Planning) (England) Regulations 2012 (as amended)**

Dear Representor,

I am writing to you to advise that a further hearing session, forming part of the above examination, will take place virtually at **09.30am** on **Tuesday 28 March 2023**. Invites with joining instructions for the online event will be sent out closer to the hearing date. The hearing will be presided over by the appointed Inspector Philip Lewis BA (Hons) MA MRTPI.

The further hearing is to be a focused session regarding the Council's suggested amendments to the submitted plan (EX.LA09), which were made in response to the post hearings advice letter issued by the Inspector (EX.INS08).

The Inspector has invited the Council (EX.INS09) to prepare a topic paper regarding their suggested amendments to the Plan. Once received and read, the Inspector will publish his updated Guidance Note, Matters, Issues and Questions and a Provisional Hearing Agenda. These documents will be issued in due course. Representors will also be given the opportunity to submit a further hearing statement.

In the meantime, if you wish to view previous correspondence relating to the hearings you should refer to the examination website. Further updates regarding the hearing session will also be published on here:

Finally, if you wish to participate in the further hearing session, I would be grateful if you could inform me no later than **5pm on 6 March 2023**.

Please do not hesitate to contact me if you have any questions.

Yours sincerely,

Emily Howard  
**Programme Officer**
