

Thank you for your FOI request received yesterday 08/08/2019. I would like to seek clarification from you in regard to this. You are asking for information as of two points in time – 2015 & 2019, however, in 2015 our Waste contract was outsourced to a third party and in 2018 this contract was changed to East Cambs Street Scene. Therefore I am only able to provide you with information relating to 2019, as I do not have access to the records from 2015. Can you please confirm if you would still like this information?

Please note that if I do not receive appropriate clarification within three months from the date of this letter, then I will consider your request closed.
