

Could you please provide the following information?

1. Your current waiting/turnaround time for a local authority search (also known as local land charges search) enquiry to be completed.

If feasible, we would like a waiting time for each type of search (LLC1, CON29, and CON290). If this is not possible, a waiting time for all search types is fine.

2. Data on how many of these searches you completed in these months:

- August 2018
- August 2019
- August 2020

In this instance, we only need one total search figure per month stated (not figures for LLC1, CON29, CON290). If historic data is not available, then a figure just for August 2020 if fine.
