Further to your information request FOI/EIR 21/22-132 please find your question and our response below.

Request:

I was wondering whether there was a particular framework/DPS providers need to be on for skills training/apprenticeship procurement activities with the council?

Response:

East Cambridgeshire District Council does not use a particular framework/DPS provider as we have so few apprenticeships (e.g. currently we only have two on establishment). We use the gov.uk tool to find suitable courses/training providers:
