

In your response (to FOI/EIR 21/22-164) you stated that you were not aware if the 22 schools are fee-paying. However, this is the information I needed.

Actually, I have now learned from looking at the school's census that there are just two independent (fee-paying) schools in your district – these are: Kingsmere School and The King's School, Ely.

Would you please recompute the total business rates paid by these two schools for 2019-2020?
