Further to your information request FOI/EIR 21/22-177 please find your question and our response below.

Request:

Cambridgeshire County Council produced a Transport Strategy for East Cambridgeshire in 2016. This document mentioned an Ely Modelling Study (2009) that included 'Provision of a cycle bridge over A10 with upgraded bridle way link to Lancaster Way'. My FOI request to the County Council did not produce any information on this Study.

Please would you let me see council meeting documents that address the findings of this Ely Modelling Study and the report that would have been made on the work of this study. I am only interested in the specific item of cycling infrastructure along the line of St John's Road.

Response:

Please find attached the notes of the meeting of the Ely Masterplan/Growth Delivery Working Party meeting held on Thursday 15 June 2009 and the minutes of the Strategic Development Committee meeting held on Tuesday 16 June 2009.

Please also find attached Volume 3 of the Ely Modelling Study (2009) which contains the reference to 'Provision of a cycle bridge over A10 with upgraded bridle way link to Lancaster Way'.

This concludes your request FOI/EIR 21/22-177
