Further to your information request FOI/EIR 21/22-220 please find your question and our response below.

Request:

I am writing to you under the Freedom of Information Act 2000 to request the following information specific to your council area:

- Do you currently collect the data of EICR reports submitted to you detailing electrical hazards identified during a legal five yearly inspection?
- The number of Electrical Information Condition Reports (EICRs) carried out in privately rented homes that have been submitted to you since June 2020* (please specify the council area you are providing figures for in your response)
- Of the EICRs submitted to your council, please break down the number of Category 1 (C1) and Category 2 (C2) failures.
- The number of these EICRs that have subsequently had the necessary remedial electrical work carried out to make the installation safe.

* Private landlords are required by law to submit EICRs that have identified C1 or C2 electrical hazards to the local authority, along with confirmation/proof that these have been fixed. This is following the introduction of mandatory five-yearly electrical checks in privately rented homes in England in June 2020.

Response:

- Yes
- One
- Neither was for information only.
- 1 (the one submitted for information to us)
