Further to your information request FOI/EIR 21/22-232 please find your question and our response below.

Request:

How many noise complaints did the council receive against student houses from 1st September 2021 to 1st October 2021? Student houses refers to Houses of Multiple Occupancy in which the occupants are full time students attending university, shared Student halls of residences or privately rented student homes.

Response:

We would not specifically identify if noise complaints originate from a student or any other occupied HMO in our recording processes.

For information East Cambs does not have a University/further education establishment in its area and so there are no halls of residence and there are likely to be very few, if any, privately rented student HMO's.

This concludes your request FOI/EIR 21/22-232
