Further to your information request FOI/EIR 21/22-326 please find your question and our response below.

Request:

In a standard month, how many times a month are

- a) recycling bins collected
- b) domestic refuse bins collected per household across the authority?

Response:

- a) Blue lidded recycling wheelie bins are collected on a fortnightly basis
- b) Domestic refuse is collected weekly. We do not provide bins for domestic refuse, we provide residents with 52 black bags a year. There is no limit to the number of domestic refuse black bags that a resident can put out for collection, but if they ran out of the annual supply of bags provided by the Council, they would need to purchase their own.

This concludes your request FOI/EIR 21/22-326
