Further to your information request FOI/EIR 22/23-038 please find your question and our response below.

Request:

1. Who is the most senior person responsible for project management within the council?
2. What is their job title?
3. What are their contact details (email address and contact number)?
4. How many people across the council (including contractors) are involved with projects on average, on an annual basis?
5. What software package(s) does the council use for project, programme and/or portfolio management? (If none or spreadsheets, please stipulate)
6. In the event that the council uses project management software:
7. When do the software licences expire?
8. Which departments access the software (i.e. I.T./Property etc)?
9. How many users access the software?

Response:

East Cambridgeshire District Council is a small Authority. We do not have a specific member of staff responsible for project management. Projects would be managed within a department. We do not use any project management software.
