

Schedule 4 Section 3 of the Memorandum of Understanding between East Cambs District Council and East Cambs Street Scene states that operational changes to the refuse service can only be made with the endorsement of “the Chair of Regulatory Services Committee (or equivalent)”.

Which member or members were the ‘equivalent’ to the Chair of Regulatory Services Committee who endorsed the decision to suspend regular green waster collections by ECSS between Monday 13 December and Friday 28 January 2022 inclusive?

Can minutes of the meeting endorsing the decision be made available?
