- Dates fly-tips were collected in relation to GPS/Street Name or Postcode above.

The timeframe I am requesting the information for is between January 2017 to December 2019.

Response:

Please see attached spreadsheet detailing: date reported, map location, map address, type of waste, reference, date cleared and date closed.

In relation to collected fly tips, unless cases remain open, all tips would have been cleared, so unique reported numbers and cleared numbers will be the same. Additionally, we do not hold information that evidences if the material reported was the material collected.
