

This is a freedom of information request for the following information:

- The total number of failed waste collections (individual property count or uncompleted collection rounds of any sort - green bin, blue bin or black waste sacks) in all areas covered by ECDC between the dates of 28th March 2022 and 15th August 2022. In addition to these - a list of all the unique reasons for these failed collections (i.e. no drivers, adverse weather etc)
- The total number of total failed waste collections (individual property count or uncompleted collection rounds of any sort - green bin, blue bin or black waste sacks) in all areas covered by ECDC between the dates of 8th November 2021 and 28th March 2022. In addition to these - a list of all the unique reasons for these failed collections (i.e. no drivers, adverse weather etc)

The two periods above cover 140 days either side of your 28th March 2022 collection day
