Request:

How much money EC Council contributed to the extension on St Mary's Surgery, 37 St Mary's Street, Ely CB7 4HF.

Please provide this information and advise why this is not easily accessible on the website.

Response:

East Cambridgeshire District Council contributed £750,000 from the Community Infrastructure Levy that we received from new developments. Some of the money coming from the North Ely Development could only be spent on improving Health Facilities in Ely.

Please see our Press Release regarding the funding at:
