Further to your information request FOI/EIR 22/23-237 please find your question and our response below.

## **Request:**

Please provide information on how many young people/families have been placed in holiday lets by council departments/bodies working on behalf of the council e.g. social services, housing associations, etc.

## **Clarification:**

I would like information on all bookings made on behalf of anyone by or on behalf of the local authority.

I understand these bookings typically relate to families with children and young people aged over 16 but under 18, which is why I used that terminology.

However, I am interested in any and all bookings made on Airbnb, Booking.com etc.

Please break this down into which platform was used to book the holiday let. E.g. Airbnb/Booking.com

Please also provide information on total costs of using this type of accommodation.

Please provide this information for the last five years (2018 - 2022 inclusive), and please break the information down year-by-year.

E.g.  
2018  
5 bookings on Airbnb  
3 bookings on Booking.com  
Total cost £8,000

## **Response:**

East Cambridgeshire District Council has not used temporary accommodation since 2014. We have therefore not made any bookings in the time period you have specified
