

I understand that the Council's council tax has not been increased for the last 10 years.

1. Can you let me know the current Band D rate of tax, excluding any precepts?
2. Can you let me know when the current rate of Council tax started? e.g. 2012/13
3. Can you let me know the council tax base (Band D households) for each of the years since the current rate of Council Tax started?
