

I understand you are the officer for the funding projects. Following last night's Stretham parish council meeting, Cllr Nuttall admitted on record the £750,000 secured funding he put in the application was untrue.

Could I request under the freedom of information act?

1. All the information related to how this project was scored and how the scoring process works. I request the information provided will allow someone to be able to work out if this mistruth was not in the application what would the score have been compared.
2. Have the full funding application provided by Stretham parish council and any subsequent documents or conversations that followed from that.
3. All email / WhatsApp and other conversations between yourself or others at ECDC and Stretham parish council regarding this project.
