Further to your information request FOI/EIR 22/23-323 please find your question and our response below.

## **Request:**

I would like information about your council's carbon literacy training in relation to climate action for the Council Climate Action Scorecards. This information may be held by the HR department or other departments that organise staff training.

In particular, please supply me with information relating to the following questions:

- a. Have all senior management received carbon literacy training or equivalent since 1st January 2019? Please state the type of training.
- b. Have all current councillors in the cabinet or committee chairs received carbon literacy training or equivalent since being elected? Please state the type of training.

This training could be from the Carbon Literacy Organisation or another organisation, university or in-house. We want to know the number of people who have attended the training. We don't need to know the number of staff that have received a certificate of completion or attendance.

## **Response:**

One officer has recently undertaken Climate Literacy training via Sustainability(ish), certificate 00043721/v2.50 Nov 2022, and the Council intends to deliver carbon literacy training to wider staff and members over 2023.

- a) No
- b) No
