In accordance with the Freedom of Information Act, I would be grateful if you could provide me with the following information:

The number of dedicated warm banks, warm spaces or warm places created and run within your local authority broken down by ones operated by the Council, and ones operated by other organisations of which the Council is aware.

Response:

There are 13 Warm Banks within the East Cambridgeshire district. East Cambridgeshire District Council used money supplied by NHS Cambridgeshire and Peterborough, to pay Cambs ACRE to set up the warm hubs, as per below:
