This is an information request relating to compensation paid to private housing companies for damages done by homeless people/rough sleepers to emergency accommodation.

Please include the information for each of the following financial years; 2019/20, 2020/21, 2021/22, 2022/23 (to present):

- How much has been paid annually to private housing companies for damage done by homeless people/rough sleepers in emergency accommodation
- Information on the damage done, if this is held. For example, if there are damage reports/incident reports provided by the housing companies along with the invoice for any damage

Response:

East Cambridgeshire District Council has not used emergency accommodation since 2014. We have therefore paid nil to private housing companies in the date periods specified.
