**Request:**

Please can you confirm how many trees have been cut down by the Council during the past 12 months and during 2022.

**Response:**

The total number of East Cambridgeshire District Council trees which were felled during 2022 is 61. This is higher than our annual average due to the felling of 36 hazardous Conifer trees alongside the rail line at the Country Park in Ely.

There have been no ECDC trees felled since the beginning of 2023.
