Further to your information request FOI/EIR 22/23-380 please find your question and our response below.

Request:

Please can you provide information on the authority's procurement policies and thresholds as relevant to software licencing? In particular:

- Below what value threshold software licences can be purchased without requiring a competitive tendering process (in £, specifying whether this includes or excludes VAT), and whether this limit applies annually, per individual transaction etc.
- Up to what value threshold (in £, specifying whether this includes or excludes VAT), single tender actions / direct awards can be considered.
- What the policy or process is for deciding whether to use a single tender action / direct award.
- Whether there is any requirement for software providers to the authority to be members of any procurement frameworks e.g. GCloud

Response:

Please see attachment
