Further to your information request FOI/EIR 23/24-052, please find your question and our response below.

Request:

- A list of all determined planning applications, including, for each application, the application's reference number, its date of determination, the outcome (i.e. refused / approved) and whether it was determined by officers or by members of the Council (i.e. a Committee) during the period 1 April 2010 to 31 March 2023, which were advertised / publicised as applications affecting listed buildings and / or conservation areas under sections 67 and 73 respectively of the Planning (Listed Buildings and Conservation Areas) Act 1990 (the 1990 Act); and
- The total number of planning applications received each year for the years 1 April 2010 to 31 March 2011 to 1 April 2022 to 31 March 2023, inclusive.

For the avoidance of doubt, the first request above relates only to planning applications publicised under sections 67 and 73 of the 1990 Act (i.e. not all planning applications determined), while the second request relates only to the total number for each year (i.e. **not** a list of all applications).

Response:

Please see the attached spreadsheet that shows all applications that were determined between 01/04/2010 and 31/03/2023 which were advertised for the following reasons:

ASLC – Affects setting of LB in a Con Area

ASLB – Affects setting of LB

LB – Application involves a listed building

CA – Development in a Con Area

LBCA – Application involves a listed building in a Con Area.

On the second sheet of the Excel document includes the number of applications that have been received each year. This number does not include tree applications, discharge of conditions, confirmation of compliance of conditions, county council applications or preapplication requests.

All supporting documentation is available to view on our public access pages (<https://pa.eastcambs.gov.uk/online-applications/>) and using the reference number provided.

This concludes your request FOI/EIR 23/24-052.
