Request:

I would like to know how many electric vehicle charge points have been installed by the authority from 1 January 2019 to 31 December 2023, broken down by year. I would also like to know how many of these charge point installations resulted in access issues which required further remediation, e.g. needed to be moved to a different location, or replaced entirely, due to incorrect installation and/ or faulty equipment. I would also like to know how much each of these moves or replacements cost the council.

Please could you present the information in the table below:

Year	No. of installs	No. of remediations	Cost of remediations

Response:

Year	No. of installs	No. of remediations	Cost of remediations
2019/20	0	0	0
2020/21	0	0	0
2021/22	0	0	0
2022/23	24	0	0

This concludes your request FOI/EIR 23/24-497.
