(ii) The number of individuals making a homeless application 'threatened with homelessness' since 2018, broken down into sexual orientation (including transgender), per month, per year and grand total.

(iii) The number of individuals supported into accommodation (temporary/emergency) since 2018, broken down into sexual orientation (including transgender), per month, per year and grand total.

(iv) The number of individuals owed a prevention and/or relief duty since 2018, broken down into sexual orientation (including transgender), per month, per year and grand total.

(v) The number of individuals to date, still waiting to be supported into accommodation, broken down by sexual orientation (including transgender).

(\*Individuals defined as anyone between the ages of 16-80 years-old).
