

Further to your information request FOI/EIR 24/25-008, please find your question and our response below.

Request:

I request a list of all public swimming pools and leisure centres run by your council between 2005 and 2022. Additionally, could you please provide information on dates of opening and closure (with at least year-month precision) if they started or ceased operation over that period. Lastly, could you please provide information on opening and closing hours of the leisure centre/swimming pool in that given year?

That means the final dataset would have the following columns:

Name of the swimming pool or leisure centre, type (i.e. leisure centre or swimming pool or both), address, date of opening, date of closing, opening hours in year 2005, opening hours in year 2006, ..., opening hours in year 2022. If collecting weekly opening hours is not possible, annual opening hours are sufficient, too.

Response:

East Cambridgeshire District Council has previously owned and does currently own a public swimming pool and leisure centre, but these were and are not run by East Cambridgeshire District Council.

This concludes your request FOI/EIR 24/25-008.
