

I am writing to you to submit a Freedom of Information request for the following questions regarding your local authority:

1. How many new homes were completed in your authority in the financial year 2023/24?
2. How many residential development applications received planning permission in the financial year 2023/24?
3. How many residential development applications were rejected planning permission in the financial year 2023/24?
4. How many households were on your housing register on 1 April 2023, and how many are on your housing register as of 1 April 2024?
5. What percentage of residential development planning applications were decided on-time in the financial year 2023/24.

Finally, I would like to request a copy of your latest brownfield land register.
