

Further to your information request FOI/EIR 24/25-048, please find your question and our response below.

Request:

Please could you provide details on the number of staff employed at the council in roles focused on equality, diversity or inclusivity and their salary band?

Response:

East Cambridgeshire District Council does not employ a specialist diversity, equality or inclusion role. These responsibilities fall under the remit of the Human Resources Manager. As these responsibilities are built into her full role, we do not hold a separate salary for these responsibilities.

This concludes your request FOI/EIR 24/25-048.
