

- Can you tell me how many trees the council has ordered to be removed in the last 10 years? And how many have been replanted in that period?
- Can you specify how many trees were cut down because they faced insurance claims?
- Can you specify how many trees were cut down to allow the construction of housing developments?

If providing stats going back 10 years is not possible, can you provide stats for tree felling for the past 5 or 3 years?
