Dear Ms Charlish,

**Re:Additional Question - Matter 13 Question 58A**

With reference to your letter of August 17th 2018, **we do not think the settlement boundaries for Reach are appropriate and justified.**

This is because recent Planning Consents have breached the present boundary in several places around the village.

We include a map of the area around a piece land we own. This shows the boundary as it stands and the consents given recently for buildings outside that section of the boundary. As the result of these consents our small patch will become surrounded by new residential buildings.

We submit that the envelope should be moved to incorporate the approved planning sites and our patch.

Yours sincerely,

Roger & Jennifer Johnson.
