In a year of ordinary election of Councillors the Annual Meeting is held either on the eighth day after the retirement of Councillors or such other day (determined by the Council) within twenty-one days immediately following that day.

The Council shall at the Annual Meeting appoint such Committees, Sub-Committees, Working Parties or other bodies, as they are required to appoint by or under any statute or under this Constitution and may at any time appoint such other Committees, Sub-Committees, Working Parties or other bodies as are necessary to carry out the work of the Council.

Subject to any statutory limitation, such appointments shall not be for any longer period than 2 years. (This does not prevent a Member from being re-appointed at the end of that term).

Council may at any time dissolve a Committee, Sub-Committee, Working Party or other body or alter its membership.

Ordinary meetings of the Council generally are held at 6.00pm on a Tuesday or Thursday (unless the Council agrees an alternative day or time for any meeting or meetings). Council meetings (other than the Annual Meeting) may be held at The Grange or at suitable venues elsewhere in the District.

TREASURY POLICY STATEMENT

This statement sets out the Authority's policy concerning all of its funding or borrowing from external sources and the lending or investment of surplus balances.

This statement also sets out how compliance with the Local Government Act 2003 (which requires certain fundamental items of financial policy to be determined by the Authority annually) will be achieved and the scheme adopted by the Authority for the delegation of its powers in relation to treasury management.

This statement meets the recommendations set out in the Code for Treasury Management in Local Authorities issued by The Chartered Institute of Public Finance and Accountancy. The Code and this Policy Statement have been adopted by the Authority as part of its Financial Regulations.

Approved Activities

This Council defines its Treasury Management activities as:

The management of the Council's cash flows, its banking, money market and capital market transactions; the effective control of risks associated with those activities; and the pursuit of optimum performance consistent with those risks.

The Authority may be both a borrower and a lender, for example if it has a temporary cash surplus but is a net borrower over the medium or long term.

All treasury management activities involve risk and potential reward. This Council regards the successful identification, monitoring and control of risk to be the prime criteria by which the effectiveness of its treasury management activities will be measured. Accordingly, the analysis and reporting of treasury management activities will focus on their risk implications for the organisation.

This Council acknowledges that effective treasury management will provide support towards the achievement of its business and service objectives. It is therefore committed to the principles of achieving best value in treasury management, and to employing suitable performance management techniques, within the context of effective risk management.

The policy of the Authority in the case of lending is to achieve a satisfactory return while minimising risk; the overriding principle is to avoid risk rather than to maximise return. In the

case of borrowing, the objective is to minimise cost consistent with ensuring the stability of the Authority's financial position by sound debt management techniques.

The Authority and, subject to the delegated authorities set out below, its committees and officers are authorised subject to the provisions of this Policy Statement to deposit the surplus funds of the Authority with and purchase Certificates of Deposit issued with institutions in accordance with the Annual Treasury Management Strategy and Annual Investment Strategy adopted by the Council each year, and to borrow monies within the limits established annually by the Authority for its various categories of borrowing.

The Authority will not undertake currency risk and accordingly will not borrow or deposit funds denominated in foreign currencies.

Formulation of Strategy

The Authority's strategy for the application of its treasury policy as set out in this statement is the Annual Treasury Management Strategy and Annual Investment Strategy prepared by the by Chief Finance Officer and approved by full Council.

The Chief Finance Officer prepares for the approval of full Council, annual forecasts of surplus funds and borrowings for the ensuing financial year. He also prepares for the approval of the Resources & Finance Committee a strategy for funding the Authority's borrowing requirements or lending surplus cash for the period covered by the forecast. In preparing the strategy he has regard to the maintenance of the stable financial position of the Authority, to ensuring that the Authority has sufficient and appropriate facilities available to it to meet both its long term borrowing requirements and its planned short term borrowing requirements, and funding needs arising from uncertainties inherent in the planning process in the timing and amount of cash flows. The Chief Finance Officer also has regard to the current levels of short term and long term interest rates and to forecasts of future changes in interest rates and prepares a recommendation for consideration by the Resources & Finance Committee and approved by the Council of the total and short term borrowing limits and the maximum proportion of interest on borrowing which is subject to variable rates of interest. More detailed guidance on the matters to be included in the Annual Treasury Management Strategy and Annual Investment Strategy is set out in Appendix A of this statement. Matters to be considered in determining the strategy for interest rate exposure are considered further below.

In preparing the Annual Treasury Management Strategy and Annual Investment Strategy the Chief Finance Officer will consider in the aggregate all of the funds, borrowings and accounts operated by the Authority.

Based on the annual forecast the Chief Finance Officer prepares monthly for the ensuing 12 months rolling forecasts of the short term surplus cash and borrowings of the Authority for purposes of applying the strategy on a day to day basis, of reporting the results of applying the strategy to the Resources & Finance Committee and where applicable during the course of the year, of recommending amendments to full Council.

The Chief Finance Officer has delegated powers to carry out the Authority's strategy for borrowing, depositing surplus funds and managing the cash flow of the Authority. In exercising these powers he has regard to the perceived credit risk associated with the approved institutions with which funds may be deposited or invested, to the effect of possible changes in interest rates on the cost of borrowing and the return from investing and the need to maintain adequate liquid funds to meet the Authority's obligations.

Approved Methods of Raising Capital Finance

The Chief Finance Officer undertakes on its behalf the borrowing activities of the Authority. He is authorised by the Authority to undertake borrowings of the following types:

- (i) by overdraft or short term from authorised banks;
- (ii) from the Public Works Loan Board;
- (iii) by means of loan instruments;
- (iv) by other means as approved by the Secretary of State for the Department of Food & Rural Affairs (DEFRA) or departments replacing the same.

No borrowing may be undertaken of a type which is not included in the above list.

Investing and Depositing of Surplus Funds

The overriding principle guiding the investing of surplus cash balances is the preservation of the capital value of the Authority's resources. The Chief Finance Officer has delegated authority to invest the surplus funds of the Authority in accordance with the Annual Treasury Management Strategy and Annual Investment Strategy and in accordance with the terms of this Statement. He is authorised to deposit or invest funds only with the institutions and subject to the limits set out in the agreed Annual Treasury Management Strategy and Annual Investment Strategy approved annually by full Council. The Chief Finance Officer is responsible for monitoring the creditworthiness of approved deposit takers using

appropriate external sources of information including credit agency reports and limiting exposure below the approved limits where appropriate

Interest Rate Exposure

The Chief Finance Officer is responsible for monitoring the Authority's interest rate exposure and for determining the interest rate exposure strategy within the limits set by this statement and by the Annual Treasury Management Strategy and Annual Investment Strategy.

The principal factor governing the exposure of surplus funds to interest rate movements is the Authority's liquidity forecast. Where surplus funds are required to meet possible cash outflows in the near future they will necessarily be deposited short term for periods which will ensure that funds are available when required. Where surplus funds are expected to be available for investment for longer periods the Annual Treasury Management Strategy and Annual Investment Strategy will give guidance on interest rate exposure policy. Where surplus funds are to be used to repay borrowings on maturity the maturity for which the funds are deposited should match as closely as possible the maturity of the related borrowings.

Appendix B sets out guidance on policy governing the exposure of borrowings to interest rate movements.

Legal Issues

Prior to entering into any borrowing or investment transaction it is the responsibility of the Chief Finance Officer to satisfy himself by reference to the Monitoring Officer, the Authority's legal department and external advisors as appropriate, that the proposed transaction does not breach any statute, external regulation or the Authority's Financial Regulations.

Delegation

The Authority has drawn up and approved a scheme of delegation for the operation of treasury policy, a summary of which is set out in Appendix C.

Review and Reporting

The Chief Finance Officer reports quarterly to the Resources & Finance Committee and annually to the Council on treasury activities. An indication of matters to be included in the reports is set out in Appendix D to this statement. Other matters are drawn to the attention of the Council or the Resources & Finance Committee as appropriate.

5. CONTRACT PROCEDURE RULES

Part 1 Introduction, Scope & Responsibilities

Part 2 Procurement Behaviour & Thresholds

Part 3 Tendering & Contract Management

Appendix 1 Summary of Procurement Thresholds

Part 1 – Introduction, Scope & Responsibilities

1. Introduction
 - 1.1. These rules apply to all Officers of the Council. They are part of the Council's Constitution and therefore officers have a duty to ensure they have fully understood them prior to commencing any procurement or contracting activity.
 - 1.2. Officers must also ensure that any persons and/ or organisations acting on behalf of the Council fully comply with these rules.
 - 1.3. The aim of these rules is to assist officers in achieving good procurement and the benefits that it brings. These rules are the Council's rules for buying, renting, leasing of goods, services and works for the Council. They do not apply to internal purchases or internal service provisions.
 - 1.4. If there is any change to the law which affects these rules then that change must be observed until these rules can be revised. If these rules conflict in any way with the law then the law takes precedence. It is the officer's responsibility to seek appropriate advice from Legal Services or seek specialist Procurement advice in relation to any procurement activity.
 - 1.5. Before embarking on any procurement activity it is the officer's ultimate responsibility to seek appropriate Procurement support and guidance. If the officer is in any doubt about whether the rules apply, he/she must always consult with Legal Services or seek specialist Procurement advice immediately.
 - 1.6. The Rules apply to the sale of assets (with the exception of the sale of land / or interests in land – such as covenants or easements) and goods by the Council where the appropriate Service Lead estimates that the assets, goods or services to be sold exceed £1,000.
 - 1.7. Any value stated within these rules is exclusive of VAT.
2. Basic Principles
 - 2.1. All procurement activity and contract/supplier management must:
 - Achieve Value for Money for public money spent
 - Be consistent with the highest standards of integrity
 - Ensure fairness and transparency in awarding public contracts
 - Ensure that the Council comply with all legal requirements
 - Ensure that Non-Commercial Considerations do not influence any contracting decision.
 - Support the Council's corporate and departmental aims and policies of being a customer driven efficient Council with a "can do" attitude and pro-business approach and commercially focused to ensure financial self-sufficiency for the taxpayer.
3. Exceptions to the Rules
 - 3.1. These rules apply to every procurement / Contract made by or on behalf of the Council. No exemption form / officer action is required for:
 - 3.1.1. grants which the Council may receive or make except where the grant is the form of payment for a contract for services where the Council specifies the output or outcomes to be delivered;

- 3.1.2. acquisition or disposal of any interest in land (these fall outside the scope of the EU Procurement Regulations and the UK Contract Regulations, but officers are still expected to gain best value in these transactions);
- 3.1.3. goods, works or services procured in a genuine Emergency (e.g. natural disasters such as flooding or fires, immediate changes to legislation) because of a need to respond to events that were beyond the genuine control of the Council. Any Emergency procurement must be reported to the Section 151 Officer or Service Lead as soon as practical. Any such Contract entered into by the Council must not be for a term of more than six months. Please note that not allowing enough time to go to Tender is not an Emergency;
- 3.1.4. goods, services or works purchased through a Public Sector Buying Organisation (PSBO) catalogue as long as the officer is satisfied that the catalogue offers Value for Money;
- 3.1.5. goods, services or works purchased through a Public Sector Buying Organisation (PSBO) Framework agreement as long as the officer is satisfied that the framework offers Value for Money;
- 3.1.6. contracts for employment;
- 3.1.7. for existing supplies, services or goods works which are available only where there is no genuine satisfactory alternative available, such as, public utility infrastructure providers, e.g. Gas mains, sewage and water supply;
- 3.1.8. any Contracts entered into through collaboration with other Local Authorities or other public bodies, where a competitive process has been followed that complies with the rules of the lead organisation (but does not necessarily comply with these rules). Evidence should be obtained and held for audit purposes;
- 3.1.9. the lending or borrowing of money (these are managed and controlled through the Council's Treasury Management Strategy).

4. Requesting An Exemption

- 4.1. Exemptions from these rules must be obtained in advance of the officer commencing procurement and in accordance with the following procedure, and will only be granted in exceptional circumstances. Lack of forward planning will not constitute a reason for an exemption.
- 4.2. The officer seeking the exemption is responsible for estimating the Total Value of the proposed Contract. Please see Part 2 rule 2 of this document.
- 4.3. Where the Total Value is up to £75,000

Exemptions for proposed Contracts with a Total Value not exceeding £75,000 must be recorded using the Exemption Request Form located on the intranet. The officer must secure approval from the relevant Director or the Chief Executive. Approval must be obtained by the officer prior to any procurement activity commencing. The Exemption Request Form will be returned to the Service Lead for retention with the Contract records, with a copy retained by the Monitoring Officer for inspection.

- 4.4. Where the Total Value is £75,000 up to the current EU Threshold

Exemptions sought that are equal to or over £75,000 and not exceeding the EU Threshold for goods and services must be recorded using the Exemption Request on the intranet. The officer must secure approval from the relevant Director or the Chief Executive and the Section 151 Officer and then send the approved form to the

Monitoring Officer. Approval must be obtained by all parties prior to any procurement activity commencing. The Exemption Request Form will be returned to the relevant Service Lead for retention with the Contract records, with a copy retained by the Monitoring Officer for inspection.

4.5. Exemptions Equal to and Over the EU Threshold

Exemptions sought that are equal to or above the EU Threshold for works, goods or services can be requested in specific circumstances where the officer can demonstrate clear evidence that there would be no benefit from competition due to the nature of the provider market, and has sought specialist procurement advice. An exemption would only be considered if the obligations under the EU regulations are satisfied. Exemptions sought under any other circumstances at this level are not permitted. The officer must record the exemption using the Exemption Request Form located on the intranet. The officer must secure approval of authorisation from the relevant Director or the Chief Executive and the Section 151 Officer. The Exemption Request Form will be returned to the relevant Service Lead for retention with the Contract records, with a copy retained by the Monitoring Officer for inspection.

4.6. Repeat Exemptions

In instances where a repeat exemption is requested, then the Total Value of the requested exemption will be added to previous exemptions and the appropriate rule/regulation relating to the Total Value will apply. See Part 2 rule 2 of this document re calculating Total Value.

4.7. Exemptions for Works

In the case of exemptions for procurement of works, exemptions will not be granted above the EU Threshold for Supplies/Services except as applied in rule 4.6 of this section.

5. Non-Compliance with the Rules

- 5.1. Where an officer becomes aware of any non-compliance with these rules and which cannot be remedied, they must immediately notify their Service Lead and the Monitoring Officer and no further action taken on the procurement in question until advised to do so.

6. Recommended Reading

- 6.1. It is strongly recommended that all officers read the following documents in conjunction with these rules and which are available on the intranet and offer further guidance:

Procurement Best Practice Guide;
Financial Procedure Rules;
Procurement intranet pages.

7. Officer Responsibilities

- 7.1. The officer responsible for the procurement must comply with these rules and any public procurement legislation; failure to do so could result in disciplinary action.
- 7.2. Officers must take account of all necessary legal, financial, procurement and any technical advice.
- 7.3. The officer must have regard to current guidance (see rule 6 of this section) and the principles of the Council's Procurement Strategy.

- 7.4. The officer is responsible for the procurement and must ensure:
- Continuing compliance with the Council's requirements;
 - Value for Money;
 - Compliance with these rules, any legal, statutory requirements and any Council policies.
- 7.5. The officer must ensure security and confidentiality of documentation supplied at all stages of the procurement activity, including Tender Evaluation Reports, working papers and minutes of meetings. The officer must ensure that he or she records in writing all minutes of meetings and decisions/actions taken.
- 7.6. Where the Total Value of the procurement is less than £25,000 the officer must take steps to secure Value for Money by clearly defining the business requirement and seeking offers at the lowest cost commensurate with meeting that business requirement.
8. Director/Service Lead Responsibilities
- 8.1. Directors and Service Leads must comply with these rules and must ensure that their officers comply with these rules.
- 8.2. The Directors/Service Leads must keep a written record of all approved exemption requests for his/her department and obtain specialist Procurement advice to avoid seeking exemptions in future. This record must be produced when required by the Monitoring Officer or audit.
- 8.3. Directors/Service Leads must keep a register of contracts completed by signature (rather than by the Council's seal) and arrange their safekeeping on Council premises as per the Council's retention policy available on the intranet pages.
9. Prevention of Corruption and Conflict of Interest
- 9.1. All officers have a duty in law to avoid any form of behaviour or conflict of interest that might distort or restrict competition, or make a Contract award subject to the risk of being challenged. All officers involved in procurement must declare any conflicts of interests relating to the procurement activity where they, or their significant other, have a vested interest that could conflict with the best interests of the Council.
- 9.2. All officers must always comply with the Council's code of Conduct and Anti-Fraud and Corruption Strategy, and must not offer, promise or give any gift or reward in respect of the award or performance of any Contract.
- 9.3. All officers must always comply with the Council's Code of Conduct and Anti-Fraud and Corruption Strategy with regards to receiving of gifts in respect of the award or performance of any Contract.

---End of Part 1 ---

Part 2 - Procurement Behaviour & Thresholds

1. Procurement Thresholds and Value for Money
 - 1.1. Value for Money is defined with reference to price, quality, availability, functionality and the optimum combination of whole life costs. Opportunities to save money by providing the optimum service for less than budgeted price should also be pursued.
 - 1.2. If the lowest Quotation / Tender obtained exceeds the threshold applicable to the procedure selected, the officer must consult with Legal Services/specialist Procurement advice for approval to proceed or restart the procurement.
2. Total Value
 - 2.1. Officers shall not sub-divide works, services or goods that could reasonably be treated as a single Contract so as to avoid these rules, thresholds or any legal requirements.
 - 2.2. The total estimated value of orders for a given type of goods, services or works should, wherever practicable, be amalgamated for the purpose of determining procurement procedures and thresholds. This will also apply to Framework Agreements.
 - 2.3. If a Contract is for a period greater than one year, then the estimated value of orders to be placed over the full period should be used to determine the appropriate procedure, inclusive of any allowance for inflation. This must also include any extension term offered in the Contract.
 - 2.4. Where leasing arrangements, purchasing support or maintenance agreements are used, the total amount payable over the life of the lease or maintenance period shall determine the appropriate procedure. This should include lease costs and any other costs such as consumables/servicing and maintenance. No leasing arrangements are to be agreed without the support of the Section 151 Officer.
 - 2.5. Where Contracts entail both revenue and capital costs, the value of the Contract shall be calculated by the aggregation of the total estimated capital cost and the estimated revenue costs calculated as identified above.
 - 2.6. Where a Contract includes the service provider offering goods, services or works as part of their offering, the monetary value of the goods, service and works must be considered in addition to any remaining monetary value of Contract and let in accordance with these rules thresholds. Officers should seek specialist Procurement advice in these cases.
 - 2.7. All costs stated in these rules are exclusive of VAT.
3. Steps Prior To Purchase
 - 3.1. The size, scope, term and specification of the goods, services or works required must be decided in advance of the procurement process commencing.
 - 3.2. The officer must define the duration of the Contract that will provide the most economically advantageous outcome for the Council. This decision must be made in advance of the procurement process and done in accordance with rule 2.3 of this section.

- 3.3. The officer must consider the options for the delivery of the required goods, services or works. The options include but are not limited to:
 - Not buying the goods or services or not having the works done at all;
 - Providing the goods, services or works ourselves;
 - Utilising a PSBO catalogue (e.g. ESPO) or framework agreement (e.g. ESPO Dealing Direct, Crown Commercial Services);
 - Get a third party to provide the ongoing goods, services or works on behalf of the Council;
 - Providing the goods, services or works in partnership with a third party;
 - By commissioning jointly with another Council;
 - By utilising a PSBO (e.g. ESPO, Crown Commercial Services) to procure on behalf of the Council.
- 3.4. Before beginning a purchase, the officer responsible for it must:
 - appraise the need for the expenditure and its priority;
 - define the objectives of the purchase;
 - assess the risks associated with the purchase and how to manage them;
 - consider what procurement method is most likely to achieve the objectives.
- 3.5. The officer's approach to the appraisal must be proportionate to the complexity and value of the purchase and take into account any guidance in the Procurement Best Practice Guidance available on the intranet pages.
- 3.6. The officer must consider (where relevant) any specific requirements for what they are purchasing such as Disclosure and Barring Service (DBS) checks or statutory requirements.
- 3.7. The officer must ensure that he/she consults with Legal Services/specialist Procurement support before any Prior Information Notices (PINs) or Voluntary Ex-Ante Transparency (VEAT) notices, required for the EU Procedure are placed in the Official Journal of the European Union.
- 3.8. The officer must be satisfied that there is sufficient budgetary provision for the anticipated Contract expenditure and any sources of funding are agreed before conducting the procurement.
- 3.9. Where the procurement meets the criteria defined for submission to an established Council review group the officer must comply with those requirements.
4. Market Research and Consultation with Third Parties
 - 4.1. The officer responsible for the purchase:
 - 4.1.1. May consult potential providers prior to the issue of the Invitation to Tender in general terms about the nature, level and standard of the supply, Contract packaging and other relevant matters provided this consultation does not prejudice any potential candidate.
 - 4.1.2. Must not accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential candidates or distort competition.
5. TUPE – Transfer of Undertakings (Protection of Employment)
 - 5.1. When any employee either of the Council or of a service provider is likely to be affected by changes to staffing or work conditions, redundancy, relocation or transfer of employment or any other aspects relating to the Transfer of Undertaking of

Protected Employment Regulations 2006. Such TUPE issues should be included in evaluation and Tender reports. Due regard must be taken of all regulations concerning TUPE and Workforce Matters including appropriate consultation with staff and trade unions, furthermore due care must be taken to ensure the validity and accuracy of all TUPE information. Pension entitlements must also be considered and as far as possible, protected within this process. Advice regarding TUPE must be sought from Legal Services/Human Resources.

6. Collaboration

- 6.1. Officers should actively seek out opportunities to collaborate with other public bodies where this is of benefit to the Council, taking into account any adverse affect on Local economy and voluntary sector.
- 6.2. Where a collaborative procurement occurs, it is the procurement rules of the authority leading the procurement which will apply unless the lead authority specifically agrees otherwise.
- 6.3. Where the authorities opt for the use of a collaborative Framework Agreement, the anticipated expenditure of the authorities concerned will dictate which procurement rules to apply.

7. Insurance

- 7.1. The standard levels of cover required by the Council can be found on the Council's intranet or by contacting the Council's Finance Team. Where the Council's standard level of cover is not considered to be suitable by the officer, advice on levels should be discussed and agreed in writing with the Finance Team. Professional indemnity must be evaluated on a case by case basis as it may not always be necessary.

8. Sustainable Procurement

- 8.1. Sustainable procurement offers the Council the opportunity to encourage working collaboratively with suppliers to adopt practices that minimise environmental and social impacts. Officers must consider minimising the impact on the environment whilst also acquiring goods, works and services at a competitive rate. Officers are required to consider ways of procuring more resource and energy efficient alternatives and pay particular regard to the Council's environmental policies.

9. Supporting Local Enterprises, Voluntary and Community Organisations

- 9.1. Officers should use the Council's purchasing power to support local small and medium enterprises (S.M.Es) and/or voluntary and community organisations and seek benefits and added value for the local geographical area wherever possible and where this provides equal or better Value for Money for the Council than alternatives.
- 9.2. Officers must ensure that processes do not overburden or restrict either S.M.Es or voluntary and community organisations from having the same opportunity to respond to procurements as those in the commercial sector.
- 9.3. Officers must where possible incorporate questions in their Tenders that evaluate responses relating to any of the following:

Local economical benefits,
social value benefits,
regeneration within the community,
local employment,
local apprenticeships,

or any other benefits that support the Local economy and prosperity for the District where this is appropriate to the procurement.

9.4. Under the Localism Act 2011 and the Community Right to Challenge, an individual or group can propose a solution to provide a service that the Council currently provide. Advice should be obtained from Legal Services on the process to follow should a challenge be received.

10. Income Generating Purchases

10.1. Where an officer is proposing to enter into a Contract where either;

the Council will be the service provider,
or the Contract may generate income for the Council possibly to off-set the monies otherwise payable by the Council to the supplier (e.g. a sponsorship agreement), in addition to the other requirements in these rules,

10.2. The officer shall only enter into a Contract if the Service Lead is satisfied that:

the services to be provided and any benefits to the Council have been clearly specified;

the Council has power to provide the service, if applicable;

the proposed Contract is in the best interests of the Council.

11.1. The relevant Service Lead must consider whether internal resource can provide the requirement in the first instance.

11.2. The relevant Service Lead must consider whether temporary agency staff provision can provide the requirement in the second instance.

11.3. The relevant Service Lead, in conjunction with the Finance team, must identify and consider the employment status of any Consultant appointed and ensure where necessary the Consultant is treated as an employee of the Council.

11.4. A Consultant appointed to advise on the procurement or design of the project, or to advise on an evaluation or similar exercise must not be permitted to bid for any subsequent stage of the work or project.

11.5. It shall be a condition of the engagement of any consultant, agent or professional adviser who is to be responsible to the Council for the management or supervision of a contract on its behalf, that in relation to that contract he/she shall -

comply with these Rules as though he/she was an employee of the Council;
at any time during the carrying out of the contract shall, on request, produce all the records maintained in relation to the contract; and
on completion of the contract transmit all records that he/she has produced or received that relate to the contract to the appropriate Service Lead.

12. Purchasing From Framework Agreements

12.1. The officer may purchase goods, services or works from a Framework Agreement if the Council is named either specifically or in acceptable geographic terms on the Framework Agreement and the scope for the officer's purchase is specified in the framework.

12.2. The officer must not call-off from a Framework Agreement if there is no clear and specific call-off criteria in the agreement.

- 12.3. The officer must seek specialist Procurement advice if the proposed value of the purchase is £75,000 or more.
- 12.4. Where the terms of the Framework Agreement provide for direct purchase without competition and the terms of such call-off are sufficiently precise (i.e. one supplier), officers may purchase under the Agreement without re-opening competition.
- 12.5. Where the terms laid down in the Framework Agreement are not sufficiently precise to make a direct award or the terms of the Framework Agreement so specify, the officer must hold a mini competition in accordance with the provisions of the Framework Agreement and the following;

Inviting all of the organisations within the Framework Agreement who are capable of executing the subject of the Contract to submit a written response to Quotation or Tender;

Fixing a time limit, which is sufficiently long so as to allow Tenders for each specific Contract to be submitted, taking into account factors such as the complexity of the subject of the Contract;

Tenders shall be submitted in writing, and their content shall remain confidential until the stipulated time limit for reply has expired;

The Contracting Authority shall award each Contract to the Bidder who has submitted the best Tender on the basis of the award Criteria set out in the Tender documents for the Framework Agreement.

13. Setting up a Framework Agreement

- 13.1. The term of any Framework Agreements must not exceed four years (EU requirement) except in exceptional circumstances, in particular, circumstances relating to the subject of the Framework Agreement. In the event that a Framework Agreement is required for more than four years, Officers must seek approval from the Service Lead and Monitoring Officer having obtained specialist Procurement advice.
- 13.2. The default for creating a call-off mechanism when creating a Framework Agreement should be a mini-competition. Where a mini-competition mechanism is not used this must be approved by the Service Lead and Monitoring Officer having obtained specialist Procurement advice.
- 13.3. The officer must consider the impact of potentially closing the market in this sector to new suppliers during the period of the Framework Agreement and ensure that the benefits and length of the Framework Agreement are justified.

14. Purchases up to £5,000 in Total Value

- 14.1. Whilst obtaining Value for Money remains the primary objective, multiple Quotations are not essential where the Total Value of the proposed Procurement is less than £5,000.
- 14.2. Wherever possible, quotations must be from Local providers.
- 14.3. A purchase order must be raised unless the purchase is conducted using a Government Procurement Card (GPC). The terms of the purchase order should suffice unless the officer believes the complexity of the purchase requires more bespoke terms from Legal Services. The purchase order must specify clearly what the Officer wants.

15. Low Value Contracts from £5,000 up to £25,000 in Total Value

- 15.1. Officers must not seek to procure any goods, services or works if the requirement can be satisfied by calling off using a PSBO catalogue or an accessible framework agreement.
- 15.2. A minimum of three written Quotations must be obtained for requirements between £5,000 and up to £25,000 and a purchase order must be processed before goods or services or works are purchased. Wherever possible, one quote must normally be from a Local provider. The written Quotations must contain:

The goods, services or works to be supplied;
Where and when they are to be supplied;
The Total Value of the transaction and;
The terms and conditions to apply to the procurement including price and payment terms
- 15.3. Written Quotations must be by way of letter or email. Quotations submitted through an E-Tendering solution are acceptable.
- 15.4. If the Officer cannot obtain three Quotations, the Officer must satisfy themselves that they have obtained Value for Money for the Council and must seek approval from the Monitoring Officer to proceed and the justification to proceed must be recorded, including the relevant exemption clause number, and be available for inspection.
- 15.5. A purchase order must be raised. The terms of the purchase order should suffice unless the officer believes the complexity of the purchase requires more bespoke terms from Legal Services. Where it is proposed that a form of Contract be used which does not adopt the Council's standard terms, the use of such must be approved by Legal Services. The purchase order must state:

What is to be supplied (description and quality);
Payment provisions (amount and timing);
When the Council will have the right to terminate the Contract.
16. Purchases from £25,000 up to £75,000 in Total Value.
 - 16.1. The officer must not seek to procure any goods, services or works if the requirement can be satisfied by calling off using an accessible framework agreement.
 - 16.2. A minimum of three comparable written Quotations must be sought and wherever possible, at least one quote must be normally from a Local provider. This must be done using the Formal Request for Quotation documentation (available on the intranet) unless otherwise agreed by Legal Services/specialist Procurement advice and must specify:

The goods, services or works to be supplied;
Where and when they are to be supplied;
The Total Value of the Contract;
The terms and conditions to apply to the procurement including price and payment terms.
 - 16.3. A contract advertisement must be placed on the Contracts Finder website. The officer should seek specialist Procurement advice to facilitate this.
 - 16.4. The criteria for selecting the most economically advantageous Quotation must be robust and established before the written Quotations are invited.
 - 16.5. Written Quotations must be by way of letter or email and must be addressed personally. Printouts of catalogues are not written Quotations. Quotations submitted through an E-Tendering solution are acceptable.

- 16.6. If it is not possible to obtain three Quotations, the officer must complete an Exemption Request Form and obtain approval to the requested exemption before any procurement activity commences.
- 16.7. A purchase order must be raised but the officer must ensure the Council's standard terms and conditions located on the Council's internet site are used as the Contract terms unless the officer believes the complexity of the purchase requires bespoke terms from Legal Services. Where it is proposed that a form of Contract be used which does not adopt the Council's standard terms the use of such must be approved by Legal Services.
- 16.8. An award notice must be placed on the Contracts Finder website where a contract advertisement has been placed previously (see 16.3).
17. Purchases from £75,000 in Total Value up to the Current EU Threshold
 - 17.1. The Officer must not seek to procure any goods, services or works if the requirement can be satisfied by calling off using an accessible Framework Agreement.
 - 17.2. Officers must seek specialist Procurement advice before commencing the procurement.
 - 17.3. Officers must follow a formal Tender process. The Council's Procurement Best Practice Guidance available on the intranet can offer guidance on the Tender process.
 - 17.4. An advert must be placed on Contracts Finder. The Criteria for selecting the most advantageous Tender must be established before the written Tenders are invited.
 - 17.5. Officers must ensure the Council's standard terms and conditions located on the Council's internet are used as the Contract terms unless the officer believes the complexity of the purchase requires bespoke terms from Legal Services. Where it is proposed that a form of Contract be used which does not adopt the Council's standard terms the use of such must be approved by Legal Services.
 - 17.6. An award notice must be placed on the Contracts Finder website where a contract advertisement has been placed previously (see 17.4).
18. Contracts over EU Threshold in Total Value
 - 18.1. The officer must not seek to procure any goods, services or works if the requirement can be satisfied by calling off using an accessible Framework Agreement.
 - 18.2. All goods, services and works with a procurement Total Value in excess of the EU Threshold levels covered by the EU Procurement Directives are enforced by the Public Contracts Regulations 2015, which lay down a strict process for advertising, timetabling and supplier selection. The latest thresholds and regulations can be found at the following site: <http://www.ojec.com/Thresholds.aspx>. These regulations take precedence over all Council and UK national regulations and carry potentially heavy penalties for non-compliance. Officers must comply with the detail and principles of the Directives at all times.
 - 18.3. All procurements above the EU Threshold must be approved by the relevant Committee prior to the procurement exercise being started.
 - 18.4. Procurement must be consulted on the developments of all EU notices and are responsible for EU notice publication. The Criteria for selecting the most economically

advantageous Tender must be established and published at the time that the notice is placed.

- 18.5. Officers must seek specialist procurement advice before commencing the procurement.
- 18.6. Specialist procurement advice must be sought regarding decisions relating to whether a procurement of services should be treated as a “light-touch” procedure.
- 18.7. In addition the procurement must be advertised on Contracts Finder immediately AFTER despatch of advert to OJEU and must contain no more information than the OJEU version.
- 18.8. Committee approval is required confirming the successful bidder prior to commencing contract award.
- 18.9. Officers must ensure that in the award of any Contract covered by the EU Procedures they follow the formal award process described in the EU notice.
- 18.10. An award notice must be placed on the Contracts Finder website where a contract advertisement has been placed previously (see 18.7).

---End of Part 2 ---

Part 3 - Tendering & Contract Management

1. Fair and Equal Competition
 - 1.1. The officer must manage any Tender or Quotation process in such a way that all Bidders are treated equally and ensure that any clarification meetings (at pre and post Tender stage, if necessary) are conducted fairly and transparently.
 - 1.2. Officers must take care in compiling lists of Bidders and in preparing Tender documentation, as well as in the conducting of post-Tender clarification and/or negotiation meetings. Decisions must be recorded in writing.
 - 1.3. Officers need to be aware of the key pieces of legislation in relation to equality and diversity, which include, but are not limited to, the Equalities Act 2010 and seek advice within the relevant bodies within the Council.
2. Tender Preparation
 - 2.1. Unless confined by market conditions or legal requirements, a minimum of three bidders must be invited to Tender. The Officer must invite a minimum of five bidders if the Total Value is over the EU Threshold (excluding negotiated and competitive dialogue procedures which require three Bidders to be invited). At least three tenders must also be received.
 - 2.2. In the event that less than three tenders are received then an exemption must be sought.
 - 2.3. Candidates invited to Tender must be given an adequate period in which to prepare and submit a Tender response consistent with the urgency of the procurement requirement, the level of complexity of the requirement and according to the industry norm. Normally at least three weeks should be allowed for submission of Tenders. For Tenders above the EU Threshold, officers must adhere to the EU Tender minimum timescales. The Officer must ensure that the specification and evaluation Criteria take into account the Council's priorities.
 - 2.4. The officer must ensure that the specification clearly describes the intended outcomes/ outputs and that it is complete, adequate and fair to allow Tenders to be sought.
 - 2.5. The officer must assess the quality of Tenders by pre-determined non discriminatory evaluation Criteria and weightings, including whole life cycle cost where appropriate.
 - 2.6. The officer must assess the risks associated with the Contract.
 - 2.7. The officer must maintain a Tender file to record all decisions and other matters associated with the Tender.
 - 2.8. The Contract terms and conditions must be included with the Invitation to Tender documents. Where it is proposed that a form of Contract be used which does not adopt the Council's standard terms, then the use of such must be approved by Legal Services.
 - 2.9. The Tender documentation must explain how information provided in the Bidder's response/s will be treated with regard to any statutory requirements (e.g. Freedom of Information Act requests). If in doubt please seek advice from Legal Services.
 - 2.10. Invitations to Tender must include a statement that the Council does not bind itself to accept the lowest price Tender or any other Tender.

- 2.11. Bidders must be required to hold their Tenders open for acceptance for a minimum of 90 days from the date of opening.
- 2.12. The Evaluation Criteria and any sub-criteria must be disclosed in the Invitation to Tender documentation and any prequalification documentation.
3. Selection and Award Criteria
 - 3.1. Officers must treat selection and award Criteria separately. Selection Criteria are based on a Bidder's ability to perform the Contract and are only used at the selection stage (e.g. previously PQQ now SQ stage) in a Restricted Tender Procedure or as an initial selection stage of the evaluation in an Open Tender Procedure. Award Criteria are used at the Invitation to Tender stage and are described in the Tender documentation.
4. Use of Presentations and Site Visits in a Tender Process
 - 4.1. Careful consideration should be given to the use of presentations and/or site visits within the Tender process. There should be a clear understanding of the reason for the use of the presentation or visit and how it will contribute to the evaluation process. The default position should be not to use presentations or conduct site visits. If however, it is required this must be declared as part of the evaluation Criteria in the Tender document. All Bidders must be invited to present or be included in site visits. Any questions should be sent to Bidders in advance. The documentation must clearly state what weighting any presentations or site visits carry as part of the award Criteria.
5. Conducting an Electronic Tendering (E-Tendering) Process
 - 5.1. The officer must where possible run his/her Tender process as an electronic Tender process (as per thresholds Part 2 rules 17 and 18). Where an electronic process is not used, this must be agreed with the Procurement resource.
 - 5.2. Other E-procurement tools such as (but not limited to) e-auctions and electronic Quotations and/or Dynamic Purchasing Systems must also be considered for Tenders. Tenders by fax must be rejected.
6. Receiving Late Tenders or Errors in Tenders
 - 6.1. Where a Tender has been received which is deemed to be late (has passed the Tender response deadline) the officer shall, prior to opening any of the Tenders, report this to his/her Service Lead, giving details surrounding the circumstances of the late Tender. The Service Lead with the prior approval of the Monitoring Officer may accept the Irregular Tender if they determine that the Bidder has gained no unfair advantage from it being late.
 - 6.2. The Service Lead, with the prior approval of the Monitoring Officer, may permit a Bidder to correct an error or omission that, in the opinion of the Service Lead, is an obvious one and if they determine that the Bidder has gained no unfair advantage from correcting the error. Any such corrections will be recorded on the Tender file. The Service Lead shall record in writing the reasons why each Irregular Tender has been accepted or rejected and sign and date the record.
7. Tender and Quotation Evaluation
 - 7.1. Tenders and quotations must be assessed in accordance with the pre-determined evaluation Criteria.

- 7.2. The results of the Tender evaluation must be recorded and retained on the Tender file.
- 7.3. The evaluation process must clearly demonstrate that the Council is seeking to identify the Value for Money Tender or quotation. Further guidance on evaluation can be found in the Council's Procurement Best Practice Guidance available on the intranet.
8. Seeking Clarification
 - 8.1. Providing clarification of an Invitation to Tender to potential or actual Candidates or seeking clarification of a Tender whether in writing or by way of a meeting is permitted only after seeking specialist procurement advice.
 - 8.2. Clarifications are not opportunities to conduct major negotiations.
 - 8.3. For all Tenders, Officers shall take into account the requirements of EU public procurement legislation and their regulations for any negotiations, clarifications or refinements to any Tender and related documentation.
 - 8.4. Officers may, in consultation with the specialist procurement adviser, and with the approval of Legal Services, make clarifications and/or refinements to the Invitation to Tender and related documentation where a Tender process provides for this, provided that all such clarifications and/or refinements are recorded in writing by an Officer of the Council. There must be no significant variation of the Invitation to Tender or related documentation.
 - 8.5. Full written records of all clarification decisions must be made and retained by the relevant officer.
9. Intention to Award a Contract
 - 9.1. For Contracts that are subject to the EU Procurement Regulations, Officers must allow Bidders a mandatory minimum standstill period of 10 calendar days for electronic Tenders (otherwise 15 days for non-electronic Tenders) from notification to all Bidders before entering into a contractually binding agreement with the successful Bidder. Officers should not undertake any action in relation to the contract during this time, other than respond to relevant queries from Bidders.
 - 9.2. The results of the Tender evaluation process must be recorded in writing.
 - 9.3. Following the standstill period an OJEU award notice must be placed.
 - 9.4. For Tenders above the EU Thresholds all Bidders must be notified in writing of the award.
 - 9.5. Any complaints from unsuccessful Bidders must be sought in writing and Officers must submit these to the specialist Procurement adviser for review. Guidance on debriefing candidates or Bidders can be found in the Council's Procurement Best Practice Guidance available on the intranet. The Monitoring Officer must be notified immediately of any challenge to a procurement process, in order that appropriate action may be taken.
 - 9.6. If requested by a candidate, the Officer may also give the debriefing information to Candidates who were deselected in a pre-Tender short listing process.

10. Award & Placing of Contract

- 10.1. Legal Services shall finalise/ review all contracts above £25,000. All contracts above £75,000 must be signed/ and sealed (as appropriate) by the Legal Services Manager, the Chief Executive or Section 151 Officer. Once signed by the Contractor, all original documents, including specifications, drawings, tender documents and correspondence relating to a contract shall be retained by the Legal Services Manager. Authorised Officers should then complete the Contract Register Form and forward this to Legal Services for publishing on the Council's website.
- 10.2. Where the Total Value of the Contact exceeds £25,000 a record of the contract award must be made on Contracts Finder.

11. Contracts Register

- 11.1. Officers should complete the Contract Register Form and forward this to Legal Services for publishing on the Council's website for all new and existing Contracts with a value equal to or exceeding £5,000 and ensure that the register is updated if these details change, this to ensure compliance with the requirements of the Local Government Transparency Code.

12. Contract Documentation

- 12.1. The advice of the Legal Services must be sought for the following Contracts:

Those involving leasing arrangements;
Where it is proposed to use the supplier's own terms;
Where the Total Value exceeds EU Procurement thresholds;
Those which are complex in any other way.

- 12.2. Officers must ensure that they obtain a written Contract for all goods, services or works.
- 12.3. A letter or an email exchange can constitute a Contract and therefore Officers should be careful to avoid accidental or premature contractual agreements occurring.
- 12.4. A verbal commitment can equally constitute a Contract and therefore the Officer must use caution as to what he/she commits to.
- 12.5. Advice on which form of Contract would be most suitable for the procurement can be sought from Legal Services.
- 12.6. Contracts **must not** be split into smaller value agreements to avoid having to meet the Tendering and contractual requirements imposed for larger Contracts by these rules/ regulations or the law.
- 12.7. The Council may wish to enter into "nil value Contracts", for example where the supplier receives payment from a third party, or where the supplier receives non-monetary benefits. Nevertheless, any such Contract must be let in accordance with these rules and Officers should seek the advice of Legal Services in these cases.

13. Bonds, Parent Company Guarantees and other Sureties

- 13.1. In the case of any contract for the execution of works or for the supply of goods, services or materials above £75,000, the Officer shall, after consulting with the Section 151 Officer (or in their absence the Legal Services Manager), consider whether the Council should require security for its due performance and shall either certify that no such security is necessary or shall set out in the specification of tender the nature and amount of the security to be given. In the latter event, the Council shall

require and take a Performance bond or other sufficient security (such as a Parent Company Guarantee) for the due performance of the contract. Where contract payment is in arrears and a reasonable retention of at least 10% of the contract price is applied, Performance bonds will not usually be required.

13.2. The Council must never give a Bond or other sureties.

14. Managing Contracts

14.1. All Contracts must have a named officer responsible for the entirety of the Contract and these must be recorded on the Council's Central Contracts Register.

15. Contract Monitoring, Evaluation and Review

15.1. During the life of the Contract the officer must monitor in respect of

Performance

Compliance with specification and Contract

Cost

Any Value for Money requirements

User satisfaction and risk management

Opportunities for continuous improvement In accordance with any guidance in the Council's Procurement Best Practice Guidance available on the intranet.

16. Variations

16.1. A variation to a Contract may involve (i) a change to the specification, (ii) a one-off item of work or particular service, or (iii) material change in terms affecting the Contract. If an Officer wishes to vary a Contract, Legal Services must be consulted.

16.2. The Officer must always consider whether the Total Value is such that the Contract should be re-Tendered. The Officer should seek advice from Legal Services.

16.3. A variation to a Contract does not need to be Tendered where:

a Contract has been entered into for goods, services and or works on a particular project; and

additional or unforeseen goods, services and or works occur on the same project; or

an extension of such goods, services and or works is required for the completion of

that Contract, and the existing supplier has provided the price in writing for the

additional or unforeseen goods, services and or works provided in all cases that:

the officer, the Procurement resource and the relevant Director certify that it is in the

interests of the Council to agree the variation and that such a variation is compliant

with EU Procedures. Advice upon agreeing a variation should always be sought from

Legal Services.

16.4. The Variation to the Contract must state the period of notice for implementing variations.

16.5. The Resources & Finance Committee must approve variations of contract price over 10% of the original tender price.

16.6. All variations should be kept with the original Contract and once agreed, all variations on Contracts with a Total Value of £25,000 or more must be noted on the Contracts Register.

16.7. The Financial Procedure Rules and related regulations must be followed when agreeing Contract variations.

17. Extensions

17.1. In certain situations, the duration of the Contract may be extended. Extensions can only be made where:

there is budgetary provision; and
Value for Money can be clearly demonstrated; and
there is a provision stipulated in the original Contract for a extension; or
An exemption request is made where no specific provision exists in the Contract.

17.2. The Authorised Officer, in consultation with the Chief Executive or relevant Director, may extend a contract subject to the extension being within the scope of the original scheme.

17.3. If the Contract was subject to EU Procedures, then for an extension to the Contract to be permitted, the original advertisement and the Contract must permit the extension. It is not possible to extend the Contract if an extension provision was not in place from the outset of the Tendering process.

17.4. All Contract extensions where the Total Value of the Contract as extended will be £25,000 or more must be included in the Council's Contract Register.

18. Assignments and Novations

18.1. If an officer becomes aware that an existing supplier has or may be subject to a company reorganisation, where they may be taken over or merged with another company or simply assigned to another or even otherwise disposed of, then he/she should seek the advice of Legal Services.

18.2. Any proposed assignment, novation or disposal must be referred to Legal Services for advice. Any assignment or novation of a Contract must be recorded on the Council's Contract Register.

19. Receivership/Liquidation

19.1. In the event of the officer becoming aware that a supplier is entering into a change of control, insolvency, bankruptcy, receivership or liquidation the officer must inform Legal Services immediately. The supplier shall only be permitted to assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof with the prior written consent of the Council. The Council reserves the right to decline a supplier that is deemed to be not suitable. If a suitable alternative is not identified the Contract must be re-Tendered.

20. Claims & Disputes

20.1. The officer must consult Legal Services immediately in regard to the making of or receipt of any Contract claims (e.g. for breach of Contract or disputes) and refer also to the Financial Procedure Rules.

21. Termination of Contract

21.1. The date on which the Contract will terminate, and the terms on which the Contract may be terminated early (e.g. for breach of Contract) must be clearly described within the Contract. Only the body/individual who approved the Contract award can agree to implement any provision for early termination.

22. Freedom of Information and Data Protection

- 22.1. The Council has specific obligations under the above acts regarding disclosure of information and the officer has an obligation to record and maintain accurate records relating to Contracts and comply with requests under these Acts. Any queries regarding Freedom of Information or Data Protection should be referred to Legal Services.
 - 22.2. During Tender or quotation processes, Bidders must be informed that they should state if any of the information supplied by them is confidential or commercially sensitive or should not be disclosed in response to a request for information made to the Council. Bidders should state why they consider the information to be confidential or commercially sensitive. This will not guarantee that the information will not be disclosed but will be examined in the light of the exemptions provided in the Act.
23. Retention of Records
- 23.1. The Officer must keep and maintain records in respect of each Contract (from the time the project begins until the point at which the Contract is awarded or a decision is made not to award a Contract) in order to demonstrate the achievement of Value for Money, openness, probity and compliance with the Rules.
 - 23.2. The Officer must ensure that originals and copies of all Contract documentation adhere to the Council's document retention policy available on the Council's intranet pages. The officer must ensure that he/she has no conflict of interest and must report in writing where he/she suspects a conflict of interest in compliance with the Council's HR policy.
 - 23.3. For more information on specific retention dates please refer to the Council's document retention policy on the intranet.
24. Amendments to these Rules
- 24.1. The Monitoring Officer, in consultation with the Chief Financial Officer, shall have the power to make incidental amendments from time to time to these rules.

7. **ANTI-FRAUD AND CORRUPTION STRATEGY**

1.0 **INTRODUCTION**

1.1 East Cambridgeshire District Council takes its responsibilities to protect the public purse very seriously and is fully committed to the highest ethical standards, in order to ensure the proper use and protection of public funds and assets. The Council has a zero tolerance stance to all forms of fraud, corruption and theft, both from within the Council and from external sources.

1.2 Good Corporate Governance requires that the Council must demonstrate that it is firmly committed to dealing with fraud and corruption and will deal equally with perpetrators both from inside and outside the Council. There will be no distinction made in investigation and action between cases that generate financial benefits and those that do not. This strategy will not compromise any Equalities legislation or any associated Council policies.

1.3 In addition, by minimising losses through fraud the Council ensures that the scarce resources available are used for the purposes they were intended for i.e. to support the delivery of the objectives set out in the Corporate Plan.

1.4 The strategy applies to councillors, employees, contractors/suppliers, partners, consultants, agency and contracted staff, service users, volunteers and members of the public. Everyone is expected to demonstrate integrity and honesty and offer assistance where necessary.

1.5 This strategy has been created with due regard to current best practice. It embodies a series of measures designed to frustrate any attempted fraudulent or corrupt act and the steps to be taken if such an act occurs. For ease of understanding, it is separated into five areas:

- Culture Section 2
- Prevention and responsibilities Section 3
- Deterrence Section 4
- Detection and investigation Section 5
- Awareness and training Section 6

The Council is also aware of the high degree of external scrutiny of its affairs by a variety of bodies such as the External Audit, the Local Government Ombudsman, Central Government Departments (including HM Revenue and Customs and the Department for Work and Pensions, and the Media. Such scrutiny is welcomed by the Council.

1.6 Fraud is defined as “*the intentional distortion of financial statements or other records by persons internal or external to the Council which is carried out to conceal the misappropriation of assets or otherwise for gain*”.

The Fraud Act 2006 which came into effect on 15th January 2007 creates a new general offence of fraud with three ways of committing it: -

□

- Fraud by false representation
- Fraud by failing to disclose information

- Fraud by abuse of position

It also creates new offences: -

- Obtaining services dishonestly
- Possessing, making and supplying articles for use in frauds
- Fraudulent trading applicable to non-corporate traders

Corruption is defined as “*the offering, giving, soliciting or acceptance of an inducement or reward which may influence the action of any person*”.

In addition, this strategy covers “*the failure to disclose an interest in order to gain financial or other pecuniary benefit*”.

- 1.7 The Council also abides by the provisions of the Bribery Act 2010 which covers, amongst other things, the offences of bribing another person, of allowing to be bribed and organisational responsibility. The Council's Policy Statement covering the Bribery Act is included as an Appendix to this strategy.
- 1.8 Theft is defined as “*appropriating property belonging to another with the intention of permanently depriving the other of it*”.

2.0 CULTURE

- 2.1 The culture of the Council has always been one of openness and the core values of fairness; trust and value support this. The Council's culture therefore supports the opposition to fraud and corruption.
- 2.2 The prevention/detection of fraud and corruption and the protection of the public purse are everyone's responsibility.
- 2.3 The Council's elected members and employees play an important role in creating and maintaining this culture. They are positively encouraged to raise concerns regarding fraud and corruption, immaterial of seniority, rank or status, in the knowledge that such concerns will, wherever possible, be treated in confidence.
- 2.4 Concerns must be raised when members or employees reasonably believe that one or more of the following has occurred, is in the process of occurring or is likely to occur:
- a criminal offence
 - a failure to comply with a statutory or legal obligation
 - improper unauthorised use of public or other funds
 - a miscarriage of justice
 - maladministration, misconduct or malpractice
 - endangering of an individual's health and safety
 - damage to the environment
 - deliberate concealment of any of the above.
- 2.5 Concerns should be reported either to the Council's Monitoring Officer or by using the Council's Whistleblowing Policy. However, the Council will ensure that any allegations received in any way, including by anonymous letters or phone calls, will

be taken seriously and investigated in an appropriate manner, subject to the requirements of the Human Rights Act 1998.

- 2.6 The Council will deal firmly with those who defraud the Council, or who are corrupt, or where there has been financial malpractice. There is, of course, a need to ensure that any investigation process is not misused and, therefore, any abuse (such as employees raising malicious allegations) may be dealt with as a disciplinary matter.
- 2.7 When fraud or corruption have occurred because of a breakdown in the Council's systems or procedures, the Chief Executive, Directors and the relevant Service Manager will ensure that appropriate improvements in systems of control are implemented to prevent a reoccurrence.

3.0 **PREVENTION AND RESPONSIBILITIES**

ELECTED MEMBERS

- 3.1 The Role of Elected Members
- 3.1.1 As elected representatives, all members of the Council have a duty to citizens to protect the Council from all forms of abuse.
- 3.1.2 This is done through the Anti-fraud and Corruption Strategy and compliance with the Code of Conduct for Members, the provisions of the Council's Constitution (including the Council's Financial Procedure Rules) and relevant legislation.
- 3.1.3 Elected members sign to the effect that they have read and understood the Code of Conduct when they take office. These conduct and ethical matters are specifically brought to the attention of members during induction and include the declaration and registration of interests. The Monitoring Officer advises members of new legislative or procedural requirements.

EMPLOYEES

- 3.2 The Role of Managers
- 3.2.1 Managers at all levels are responsible for the communication and implementation of this strategy in their work area. They are also responsible for ensuring that their employees are aware of the Financial Procedure Rules and the provisions of the Council's Constitution, and that the requirements of each are being met in their everyday business activities. In addition, managers must make their employees aware of the requirements of the code of conduct for local government employees through the induction process.
- 3.2.2 Managers are expected to strive to create an environment in which their staff feel able to approach them with any concerns they may have about suspected irregularities. Where they are unsure of the procedures, they must refer to the information in the leaflet covering the Council's Whistleblowing Policy.
- 3.2.3 Special arrangements will apply where employees are responsible for cash handling or are in charge of financial systems and systems that generate payments, for example payroll, and the creditor payments systems. Managers must ensure that relevant training is provided for employees. Checks must be carried out at least annually to ensure that proper procedures are being followed.

- 3.2.4 The Council recognises that a key preventative measure in dealing with fraud and corruption is for managers to take effective steps at the recruitment stage to establish, as far as possible, the honesty and integrity of potential employees, whether for permanent, temporary or casual posts. The Council's Equal Opportunities Policy will be adhered to during this process.
- 3.2.5 The Council has a formal recruitment procedure, which contains appropriate safeguards on matters such as written references and verifying qualifications held. As with other public bodies, Disclosure and Barring Service (DBS) checks are undertaken on employees working with children. Further checks will be introduced in areas where an increased risk of potential fraud and corruption has been identified.
- 3.3 Responsibilities of Employees
- 3.3.1 Each employee is governed in their work by the provisions of the Council's Constitution, the Financial Procedure Rules and other codes of conduct and policies (e.g. human resources policies and procedures, the email and internet code of practice, and IT security policy). They are also governed by the code of conduct for local government employees. Included in these are guidelines on gifts and hospitality and codes of conduct associated with professional and personal conduct and conflicts of interest. These are issued to all employees when they join the Council or will be provided by their manager.
- 3.3.2 In addition, employees are responsible for ensuring that they follow the instructions given to them by management, particularly in relation to the safekeeping of the assets of the Council. These will be included in induction training and procedure manuals.
- 3.3.3 Employees who hold professional, trade or other appropriate qualifications are expected to comply with codes of conduct issued by the organisations of which they are members.
- 3.3.4 Employees are expected always to be aware of the possibility that fraud, corruption bribery or theft may exist in the workplace and be able to share their concerns with management. If for any reason, they feel unable to speak to their manager they must refer the matter to one of those named in paragraph 3.3.5 below.
- 3.3.5 Concerns must be raised, in the first instance, directly with the supervisor or direct line manager or, if necessary, anonymously (by letter or phone), and via other routes, in accordance with the Council's Whistleblowing Policy:
- to Service Managers, Directors and the Chief Executive and in all cases to the Council's Monitoring Officer who will report such concerns to the Principal Auditor;
 - directly to the Principal Auditor; or
 - to the External Auditor, who, depending upon the nature of the concern, will liaise with the Principal Auditor.
- 3.3.6 This strategy, although primarily aimed at those within or associated with the Council, enables concerns raised by the public to be investigated, as appropriate, by the relevant person in a proper manner.

3.4 Conflicts of Interest

- 3.4.1 Both elected members and employees must ensure that they avoid situations where there is a potential for a conflict of interest. Such situations can arise with externalisation of services, internal tendering, planning and land issues, etc. Effective role separation will ensure decisions made are seen to be based upon impartial advice and avoid questions about improper disclosure of confidential information.

3.5 Internal Control Systems

- 3.5.1 Appropriate policies and procedures will be maintained to ensure that internal controls designed to prevent or detect fraud and corruption are built into the Council's systems of operation.
- 3.5.2 In addition to the Financial Procedure Rules and the provisions of the Council's Constitution, individual service areas may have their own procedures to prevent and detect fraud. There may also be audit reports that recommend methods to minimise losses to the Council. Managers and employees must be made aware of and be expected to adhere to these various sources of guidance and alter their working practices accordingly.

3.6 The Role of Internal Audit

- 3.6.1 Under the Accounts and Audit Regulations, the Council has the responsibility for reviewing, appraising and reporting upon the extent to which the Council's assets and interests are safeguarded from losses due to fraud and other offences; this function is performed by Internal Audit. Internal Audit investigates all cases of suspected irregularity, except for housing benefit, council tax discount and national non domestic rates (NNDR) fraud (see below), in accordance with the requirements of the Human Rights Act 1998. They liaise with management to recommend changes in procedures to prevent further losses to the Council.

3.7 The Role of the Anglia Revenues Partnership & Single Fraud Investigation Service

- 3.7.1 The Council is responsible for the payment of housing benefit and council tax discounts within the East Cambridgeshire area. This function is provided through our participation with a number of other councils in the Anglia Revenues Partnership (ARP). We have a duty to minimise the scope for fraud in this area and protect public funds by ensuring that benefits and discounts are only delivered to those with a true entitlement to them.
- 3.7.2 The Anglia Revenues Partnership (ARP) Fraud and Investigations Team is responsible for all suspected council tax discount fraud and NNDR fraud investigations, in accordance with the requirements of The Regulation of Investigatory Powers Act 2000, the Human Rights Act 1998 and its own Counter Fraud Policy. In cases where employees are involved, they will work with Internal Audit, Human Resources and appropriate senior management to ensure that correct procedures are followed and that this strategy is adhered to.
- 3.7.3 From September 2015 the investigation of suspected or alleged housing benefit fraud is being undertaken by the new Single Fraud Investigation Service, a partnership between the DWP Fraud Investigation Service, HMRC and local authorities.

3.8 The Role of External Audit

3.8.1 Independent external audit is an essential safeguard in the stewardship of public money. Whilst detection of fraud is not the primary role of external audit they have a responsibility to review the Council's arrangements to prevent and detect fraud and irregularity, and arrangements designed to limit the opportunity for corrupt practices.

3.9 Co-operation with Others

3.9.1 Internal Audit has set up, and will keep under review, procedures and arrangements to develop and encourage the exchange of information on national and local fraud and corruption activity in relation to local authorities with external agencies such as:

- Police
- External Audit
- Professional bodies – including the Chartered Institute of Public Finance and Accountancy
- Central government including the Department for Work and Pensions and HM Revenues and Customs
- Local Government Ombudsman's Office
- Association of Council Secretaries and Solicitors

3.9.2 The Council will also support local forums where matters of anti-fraud and anti-corruption are discussed. These include:

- Cambridgeshire Audit Group
- Cambridgeshire Anti-Fraud Network

3.10 Data Matching

3.10.1 The Council will participate in national and local data matching exercises as it sees appropriate for the purposes of identifying and reducing fraud, corruption and error.

3.10.2 In particular, the Council takes an active part in the National Fraud Initiative (NFI) as organised by the Cabinet Office. This involves a rolling programme of electronic data extraction, data matching, review and investigation of matched reports and reporting on outcomes. The extracted data is matched with other data from public sector organisations to highlight potential fraudulent activity.

3.10.3 The Council is also part of the Cambridgeshire Fraud Hub, a pioneering scheme that involves the district councils and housing providers sharing data between each other looking for anomalies that might indicate tenancy fraud in addition to housing benefit and council tax discount fraud, and a range of other fraud.

3.11 Social Housing Fraud

3.11.1 The Prevention of Social Housing Fraud Act 2013 created new criminal offences of unlawful sub-letting by secure and assured tenants of social housing. This Act supplements existing offences relating to fraudulently obtaining an allocation of social housing and fraudulently obtaining housing benefits. The Act also includes more powers for local authorities to investigate social tenancy fraud through better access to data from banks and utility companies; although councils could previously request this data, organisations were able to refuse to provide it – under the Act compliance is mandatory.

3.11.2 Social housing fraud is a very significant problem nationally and arises when individuals:

- are allocated a social housing property (a property owned by a registered housing provider or local authority) when they are not entitled to it by lying about their circumstances;
- obtain housing benefit and/or council tax discount they are not entitled to; and
- unlawfully sub-let their social housing property.

3.11.3 Social housing fraud prevents housing from being properly allocated to the people who need it most. It also undermines confidence in the housing allocation system while preventing and detecting fraud stops public money being wasted.

3.11.4 Members of the public are encouraged to report their concerns through the Cambridgeshire Anti-Fraud Network website at www.cambsantifraud.net where they can be reported electronically or by calling 0800 9520075.

4.0 DETERRENCE

4.1 The best deterrent is a clear framework of processes and responsibilities, which make fraud and corruption hard to perpetrate and will be likely to expose fraud and corruption at the earliest opportunity. The following are those related policies and documents that support the anti-fraud and anti-corruption culture:

- Constitution – which includes the Financial Procedure Rules, Members Code of Conduct and Contract Procedure Rules
- Employees Code of Conduct
- Whistleblowing Policy
- Anti-Money Laundering Policy
- Fraud Response Plan

4.2 The risk of fraud cannot be dealt with in isolation. Management of the risk of fraud is a key aspect of corporate governance and it is essential that all members and staff should have a level of understanding of this strategy. However, some individuals have specific leadership roles and responsibilities and these are identified within Section 3 (Prevention) above.

4.3 Prosecution

4.3.1 Wherever possible the following actions will be taken where investigation supports suspicions of fraudulent or corrupt activity:

- appropriate disciplinary action will be taken in accordance with the Council's disciplinary procedures
- criminal proceedings will be brought whenever appropriate, should the Crown Prosecution Service decide a prosecution can be pursued
- civil proceedings will be brought to recover lost assets whenever appropriate

- 4.3.2 Other forms of redress to recover losses (such as making a claim against our insurance cover) or to prevent further fraudulent activity by the perpetrator, (such as notifying their professional body) will also be used wherever appropriate.
- 4.3.3 Sanctions applied in relation to cases of housing benefit and/or council tax discount fraud will be applied in accordance with the ARP Counter Fraud Policy. Options include formal cautions, administrative penalties and prosecution.
- 4.4 Disciplinary Action
- 4.4.1 Theft, fraud and corruption are serious offences against the Council and employees will face disciplinary action if there is evidence that they have been involved in these activities. Disciplinary action will be taken in addition to, or instead of, criminal proceedings, depending on the circumstances of each individual case, but in a consistent manner, after consultation with the Chief Executive (the police will pass valid cases to the Crown Prosecution Service).
- 4.4.2 Members will face appropriate action under this strategy if they are found to have been involved in theft, fraud or corruption against the Council. Action will be taken in addition to, or instead of, criminal proceedings, depending on the circumstances of each individual case, but in a consistent manner including possible referral to the police. If the matter is a breach of the Code of Conduct for Members then it will be dealt with in accordance with the arrangements agreed by the Council in accordance with the Localism Act 2011.
- 4.5 Publicity
- 4.5.1 The Council's public relations unit will optimise the publicity opportunities associated with anti-fraud and corruption activity within the Council. They will also try to ensure that the results of any action taken, including prosecutions, are reported in the media.
- 4.5.2 In all cases where financial loss to the Council has occurred, the Council will seek to recover the loss and advertise this fact. In addition to demonstrating the action the Council takes to prevent and detect fraud, it protects itself and the services it provides against the results of fraud within the organisation by obtaining Fidelity Guarantee Insurance.
- 4.5.3 All anti-fraud and corruption activities, including the update of this strategy, will be publicised in order to make members, employees and the public aware of the Council's commitment to taking action on fraud and corruption when it occurs.
- 4.5.4 Regular reports will be made to the Resources & Finance Committee about countering fraud and corruption activities and their success.

5.0 DETECTION AND INVESTIGATION

- 5.1 Internal Audit plays an important role in the detection of fraud and corruption. Included in its strategic plan are reviews of system financial controls and specific fraud and corruption tests, spot checks and unannounced visits.
- 5.2 In addition to Internal Audit, there are numerous systems controls in place to deter fraud and corruption, but it is often the vigilance of employees and members of the public that aids detection.

- 5.3 In some cases frauds are discovered by chance or 'tip-off' and arrangements are in place to enable such information to be properly dealt with, in accordance with the requirements of the Human Rights Act 1998.
- 5.4 All suspected irregularities are required to be reported (verbally or in writing) either by the person with whom the initial concern was raised or by the originator, as per paragraph 3.3.5 (the Council's Whistleblowing Policy). External Audit will also be notified of all frauds involving sums over £10,000 and any corrupt acts. This is essential to the strategy, and:
- ensures the consistent treatment of information regarding fraud and corruption; and
 - facilitates a proper and thorough investigation by an experienced audit team, in accordance with the requirements of the Human Rights Act 1998.
- 5.5 This process will apply to all the following areas:
- a) fraud/corruption by elected members
 - b) internal fraud/corruption
 - c) other fraud/corruption by Council employees
 - d) fraud by contractors' employees
 - e) external fraud (the public).
- 5.6 Cases under a), d) and e) would normally be referred directly to the External Auditor, Ombudsman or the police.
- 5.7 If the initial investigation reveals that a full investigation is warranted the Council will invoke the Council's Fraud Response Plan and where applicable the Council's Disciplinary Procedure.
- 5.8 Any decision to refer a matter to the police will be taken by the Chief Executive in consultation with the Principal Auditor, Chief Financial Officer, Monitoring Officer, the relevant Director and Service Manager. The Council will normally wish the police to be made aware of, and investigate independently, offences where financial impropriety is discovered.
- 5.9 Depending on the nature of an allegation under b) to e), the Principal Auditor will normally work closely with the relevant Director and Service Manager concerned and the Chief Financial Officer to ensure that all allegations are thoroughly investigated and reported upon.
- 5.10 The Council's disciplinary procedures will be used to facilitate a thorough investigation of any allegations of improper behaviour by employees. The processes as outlined in paragraph 4.4.2 will cover members.
- 5.11 If there is a suspicion that an offence of money laundering may have taken place the Money Laundering Reporting Officer (Principal Auditor) may refer the matter to the National Crime Agency.

6.0 AWARENESS AND TRAINING

- 6.1 The Council recognises that the continuing success of this strategy and its general credibility will depend in part on the effectiveness of programmed training and an awareness of fraud by elected members and employees across the Council.

- 6.2 To facilitate this, positive and appropriate provision has been made via induction and for employees via their development plans. This includes specialist training for certain elected members and employees.
- 6.3 A leaflet on the Council's Whistleblowing Policy is distributed to all employees and members, and full copies of all relevant policies and strategies are available on the Council's Intranet.

7.0 CONCLUSION

- 7.1 The Council has always prided itself on setting and maintaining high standards and a culture of openness, with core values of fairness, trust and value. This Strategy fully supports the Council's desire to maintain an honest organisation, free from fraud and corruption
- 7.2 The Council has in place a network of systems, policies and procedures to assist it in dealing with fraud and corruption when it occurs. It is determined that these arrangements will keep pace with any future developments in techniques to both prevent and detect fraudulent or corrupt activity that may affect its operation.
- 7.3 The Council will maintain a continuous review of all these systems and procedures through Internal Audit. This strategy will be reviewed periodically to ensure that it remains compliant with good practice and meets the needs of the Council.

Appendix

BRIBERY ACT 2010 - POLICY STATEMENT

Bribery is a criminal offence. We (East Cambridgeshire District Council) do not, and will not, pay bribes or offer improper inducements to anyone for any purpose, neither do we or will we, accept bribes or improper inducements.

To use a third party as a conduit to channel bribes to others is a criminal offence. We do not, and will not, engage indirectly in or otherwise encourage bribery.

We are committed to the prevention, deterrence and detection of bribery. We have a zero-tolerance towards bribery. We aim to maintain anti-bribery compliance “business as usual” rather than as a one-off exercise.

Objective of this policy

This policy statement provides a coherent and consistent framework to enable East Cambridgeshire District Council employees to understand and implement arrangements to comply with the requirements of the Bribery Act 2010. In conjunction with other related policies and key documents it will also enable employees to identify and effectively report a potential breach.

We require that all employees, including those permanently employed, temporary agency staff and contractors:-

- act honestly and with integrity at all times and to safeguard the Council’s resources for which they are responsible
- comply with the spirit, as well as the letter, of laws and regulations of all jurisdictions in which the Council operates, in respect of the lawful and responsible conduct of activities

Scope of this policy

This policy applies to all of the Council’s activities. For partners, joint ventures and suppliers, we will seek to promote the adoption of policies consistent with the principles set out in this policy.

Within the Council, the responsibility to control the risk of bribery occurring resides at all levels of the Council. It does not rest solely within assurance functions, but in all service area and functions.

This policy covers all staff, including all levels and grades, those permanently temporary employed, temporary agency staff, contractors, agents, Members (including independent members), volunteers and consultants.

The Council's commitment to action

The Council commits to:-

- setting out a clear anti-bribery policy and keeping it up to date
- making all employees aware of their responsibilities to adhere strictly to this policy
- training all employees so that they can recognise and avoid the use of bribery by themselves and others

- encouraging employees to be vigilant and to report any suspicions of bribery, providing them with suitable channels of communication and ensuring sensitive information is treated appropriately
- rigorously investigating instances of alleged bribery and assisting police and other appropriate authorities in any resultant prosecution
- taking firm and vigorous action against any individual(s) involved in bribery
- provide information to all employees to report breaches and suspected breaches of this policy
- include appropriate clauses in contracts to prevent bribery.

Definition of bribery

Bribery is an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage.

It is unacceptable to:-

- give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a business advantage will be received, or to reward a business advantage already given
- give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to “facilitate” or expedite a routine procedure
- accept payment from a third party that you know or suspect is offered with the expectation that it will obtain a business advantage for them
- accept a gift or hospitality from a third party if you know or suspect that it is offered or provided with an expectation that a business advantage will be provided by us in return
- retaliate against or threaten a person who has refused to commit a bribery offence or who has raised concerns under this policy
- engage in activity in breach of this policy

Facilitation payments

Facilitation payments are not tolerated and are illegal. Facilitation payments are unofficial payments made to public officials in order to secure or expedite actions.

Gifts and hospitality

The Council's policy regarding the acceptance of gifts or hospitality from a third party is set out in the Officer Code of Conduct.

Public contracts and failure to prevent bribery

Under the Public Contracts Regulations 2006 (which gives effect to EU law in the UK), a company is automatically and perpetually debarred from competing for public contracts where it is convicted of a corruption offence. There are no plans to amend the 2006 Regulations for this to include the crime of failure to prevent bribery. Organisations that are convicted of failing to prevent bribery are not automatically barred from participating in tenders for public contracts and so the Council has the discretion to exclude organisations convicted of this offence.

The Bribery Act

There are four key offences under the Act:-

- bribery of another person (section 1)

- accepting a bribe (section 2)
- bribing a foreign official (section 6)
- failing to prevent bribery (section 7)

The Bribery Act 2010 makes it an offence to offer, promise or give a bribe (Section 1). It also makes it an offence to request, agree to receive, or accept a bribe (Section 2). Section 6 of the Act creates a separate offence of bribing a foreign public official with the intention of obtaining or retaining business or an advantage in the conduct of business.

There is also a corporate offence under Section 7 of failure by a commercial organisation to prevent bribery that is intended to obtain or retain business, or an advantage in the conduct of business, for the organisation. An organisation will have a defence to this corporate offence if it can show that it had in place adequate procedures designed to prevent bribery by or of persons associated with the organisation.

Is the Council a “commercial organisation”

The guidance states that a “commercial organisation” is any body formed in the United Kingdom and “...it does not matter if it pursues primarily charitable or educational aims or purely public functions. It will be caught if it engages in commercial activities, irrespective of the purpose for which profits are made”. There are circumstances in which we will be a commercial organisation for the purposes of section 7. This policy is intended to ensure that we have in place the necessary procedures to act as a defence to a section 7 offence.

Penalties

An individual guilty of an offence under sections 1, 2 or 6 is liable:-

- On conviction in a magistrates court, to imprisonment for a maximum term of twelve months, or to a fine not exceeding £5,000, or both
- On conviction in a crown court, to imprisonment for a maximum term of ten years, or to an unlimited fine, or both

Organisations guilty of an offence under section 7 are liable to an unlimited fine. In addition a public exposure, or even an allegation, of bribery would entail severe reputational damage.

Bribery is a serious offence against the Council and employees will face disciplinary action if there is evidence that they have been involved in this activity, which could result in summary dismissal for gross misconduct. Disciplinary action will be taken in addition to, or instead of, criminal proceedings, depending on the circumstances of each individual case.

Adequate Procedures

Whether the procedures are adequate will ultimately be a matter for the courts to decide on a case-by-case basis. Adequate procedures need to be applied proportionately, based on the level of risk of bribery in the Council. The Government considers that procedures put in place by commercial organisations wishing to prevent bribery being committed on their behalf should be informed by six principles:-

- Proportionality
- Top level commitment
- Risk assessment
- Due diligence
- Communication (including training)
- Monitoring and review

These principles are not prescriptive, but are intended to be flexible and outcome focussed, allowing for the different circumstances of organisations. For example, small organisations will face different challenges to those faced by large multi-national enterprises. The detail of how organisations apply these principles will vary, but the outcome should always be robust and effective anti-bribery procedures.

The Council is committed to proportional implementation of these principles.

ANTI BRIBERY PROCEDURES

The Council's Anti Bribery procedures cover the six principles detailed above:-

Proportionality – The Council has reviewed a number of its policies to ensure that it has in place procedures to prevent bribery by persons associated with it. These will be proportionate to the bribery risks faced by the Council and to the nature, scale and complexity of the Council's activities.

Top level commitment – The Chief Executive, Directors and Service Managers are committed to preventing bribery by persons associated with it. They foster a culture within the organisation in which bribery is never acceptable.

Risk assessment – The nature and extent of the Council's exposure to potential external and internal risks of bribery by persons associated with it will be periodically assessed. This includes financial risks but also other risks such as reputational damage.

Due diligence – The Council takes a proportionate and risk based approach, in respect of persons who perform or will perform services for or on behalf of the organisation, in order to mitigate identified bribery risks.

Communication (including training) – The Council will seek to ensure that its bribery prevention policies and procedures are embedded and understood throughout the organisation through internal communication, including training that is proportionate to the risks it faces.

Monitoring and review – Procedures designed to prevent bribery will be monitored and reviewed and improvements made where necessary.

Staff responsibilities

The prevention, detection and reporting of bribery and other forms of corruption are the responsibility of all those working for the Council or under its control. All staff are required to avoid activity that breaches the policy.

You must therefore:-

- ensure that you read, understand and comply with this policy
- raise concerns as soon as possible if you believe or suspect that a conflict with the policy has occurred, or may occur in the future

As well as the possibility of civil and criminal prosecution, staff that breach this policy will face disciplinary action, which could result in summary dismissal for gross misconduct.

Raising a concern

If you have a concern regarding a suspected instance of bribery or corruption then you can report this through the Council's whistle blowing procedure where concerns can be made

anonymously. In the event that an incident of bribery is reported, we will act as soon as possible to evaluate the situation.
