East Cambridgeshire District Council

Dear Mr Dade,

In 2018 East Cambridgeshire District Council undertook a Community Governance Review which recommended that the boundary between Haddenham Parish and Sutton Parish be amended. At the time at which the new parish boundary came into effect (May 2019), the Sutton Neighbourhood Plan was at an advanced stage of its preparation and applies to the 'old', pre-Community Governance Review parish boundary.

The Haddenham Neighbourhood Area was designated in August 2019. However land brought into Haddenham Parish by the Community Governance Review was already designated within the Sutton Neighbourhood Area, and therefore could not be included within the Haddenham Neighbourhood Area.

Haddenham Parish Council understands that Sutton Parish Council is reviewing its Neighbourhood Plan and has formally requested East Cambridgeshire District Council amend its Neighbourhood Area to align it with its new parish boundary.

On behalf of Haddenham Parish Council, I request that East Cambridgeshire District Council amend the Haddenham Neighbourhood Area to reflect the parish boundary. This will ensure that the emerging Haddenham Neighbourhood Plan will apply to the whole of Haddenham Parish.

Yours sincerely,

Victoria Taylor  
Clerk/RFO
