|  |   |   |   |  |                                 | the "off season" will ensure resources can be redeployed to assist other areas or removed to make savings.  |
| Ensure that the Council's corporate risks are managed effectively and mitigations are put in place to reduce impact. | Delivering a financially sound & well managed council | To annually review corporate risks related to the delivery of services through East Cambs Street Scene Limited, & put in place appropriate mitigation measures.  The following risks are both service risks and corporate risks:  • The MRF contract with Amey- The contract for dry recyclates will be coming up for renewal in April 2019. Discussions are currently being carried out with other local authorities within Cambs with a view to extend for an additional 5 years (year on year).  • Appropriate staffing levels- If staffing levels fall below an agreed risk/tolerance level this would impact on the ability to meet the performance outputs leading to both financial and reputational risk  Reported - annually |   | Jo Brooks<br>James Khan<br>Sharon Knight |                                 | The Board of ECSS is receiving quarterly reports on the following to ensure the Company is delivering against its performance and financial targets while effectively managing its business risks:  • An update of its Risk Register;  • A quarterly performance report containing actual performance against the adopted stretch targets;  • A quarterly profit and loss statement.  • Regular meetings with Amey and RECAP are currently being undertaken for renewal of the MRF contract  • Staffing levels are reviewed on a daily basis and mitigations are put in place to ensure essential performance outputs are met |

Name of Service Delivery Champion

Councillor Julia Huffer

Comment from Service Delivery Champion:

These are very impressive and encouraging set of figures. Can you pass my thanks to all of the management team and the hard working frontline staff who are striving to make this service as good as possible, and special thanks to James who has worked tirelessly to remedy the many problems we inherited, he should feel very proud.
