6. It is hoped now documentation has been published the Task and Finish Group can make further progress and a meeting will be scheduled for early October with a report forthcoming to the next meeting of the Committee.</p>
8.	Combined Authority Board Agenda: Wednesday, 30 September	The following questions to the Board were agreed:

Item	Topic	Decision [None of the decisions below are key decisions]
		<p>Item 1.6 Cambridgeshire and Peterborough Combined Authority Constitution</p> <p>What representations has the Combined Authority made to central government on the long-standing issue of the quoracy of Combined Authority Committees, and what has been the response?</p> <p>In line with the seven Nolan Principles of Public Life, is there a commitment for the Business Board to be more transparent and to hold meetings in public session?</p> <p>Item 3.1 Cambridgeshire Autonomous Metro Special Purpose Vehicle Shareholder Agreement</p> <p>The Combined Authority Overview and Scrutiny Committee would wish to place on record its concerns about the transparency of the CAM Special Purpose Vehicle, and about the lack of timely access to information regarding the CAM scheme in general. Will the Combined Authority give the Committee the assurance that members of the Committee will be provided with information and access to officers in a timely manner, and that the Special Purpose Vehicle will operate openly and transparently? This would include the provision of exempt information to members of the Committee on a 'need-to-know' basis.</p> <p>Item 3.2 A10 Junctions and Dualling</p> <p>If the Department of Transport funding decision on dualling is negative will the whole £2m for the Outline Business Case still be required? And in that situation, would the Combined Authority proceed with a junctions-only option, and in what timescale?</p> <p>Item 3.3 Market Towns Programme Investment Prospectus</p> <p>It appears that there is nothing in the proposals which affect Chatteris. Is this a timing issue and, if so, when is it envisaged that funding applications for Chatteris will be considered?</p>

Item	Topic	Decision [None of the decisions below are key decisions]
		<p>Have there been any project proposals that when independently appraised did not reach the pass mark, and, if so, what were these proposals?</p> <p>Can the projects be economically justified in the current climate? What is the process for developing these applications? Who is involved and how can residents and local organisations be involved and contribute to the development of proposals?</p> <p>Item 4.3 Bus Reform As with our question for Item 3.1, will the Combined Authority Board give an assurance of transparency to the Overview and Scrutiny Committee as this programme continues? The Committee has a Task and Finish Group which provided a series of recommendations last year and is committed to reporting back to the Committee at the end of this municipal year.</p> <p>Items 5.1 and 5.2 How can it be ensured that there will be no duplication of work with that being undertaken by the Greater Cambridge Partnership on these measures?</p> <p>With that in mind will the Board commit to ensuring the most productive use of collaboration between the Combined Authority, the GCP, Cambridgeshire County and Peterborough City Councils, and district councils?</p> <p>Can the Combined Authority update the committee on the virement of resources to Covid-19 and its effectiveness?</p>
