## Audit and Governance Committee Decision Summary

Meeting: 13 January 2023  
 Agenda/Minutes: [Audit and Governance Committee](#)  
 Chair: John Pye (Chair and Independent Person)

Summary of decisions taken at this meeting.

Item	Topic	Decision [ <i>None of the decisions below are key decisions</i> ]
1	Apologies and Declarations of Interests	Apologies were received from Councillor Wilson and Councillor Ali No disclosable interests were declared.
2	Chair's Announcements	Members were instructed to disregard Chapters 4 and 7 of Appendix 2 (working copy of the revised Constitution) as the Governance Arrangements Report, which detailed a proposed new committee structure, meant that further amendments to these chapters of the Constitution would be required. The subsequent amendments would be reported to the committee at a later date.
3.	Procurement Policy	<p><b><u>RESOLVED:</u></b></p> <p>1. That the Audit &amp; Governance Committee submit the following feedback to the Combined Authority Board ahead of their review of the policy at their meeting on 25 January 2023.</p> <p>a) That the impact of the new procurement policy needed to be monitored over the first year to see if there were any adverse consequences; either to value for money or on fair competition.</p> <p>b) That the policy should include an annual review of the nature and size of contracts.</p>

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
		<p>c) That the policy should define what is meant by a 'local supplier'.</p> <p>d) That every effort should be made to minimise the bureaucracy of the procurement process in order to aid small businesses.</p>
4.	Revisions to the Constitution	<p><u>RESOLVED:</u></p> <ol style="list-style-type: none"> <li>1. That the Monitoring Officer be invited to redraft some sections of the Constitution, as outlined in the feedback given to the Combined Authority Board, to improve clarity and avoid ambiguity.</li> <li>2. That the draft be reviewed for grammatical and spelling errors, and for consistency of language eg. the use of Combined Authority or Combined Authority Board</li> <li>3. That the committee's comments on the revisions to the Constitution be fed back to the Board ahead of their meeting on 25 January 2023.</li> </ol>
5.	Governance Arrangements	<p><u>RESOLVED:</u></p> <ol style="list-style-type: none"> <li>a) That the committee's comments on the governance arrangements, be fed back to the Combined Authority Board ahead of their meeting on 25 January 2023.</li> <li>b) There was confusion about the way that the voting arrangements were articulated in the draft. The committee could not support the proposals as currently presented, ie that only Members of the Board would be entitled to vote, as their understanding was that the new thematic committees were there to reduce the workload of the Combined Authority Board. However, the</li> </ol>

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
		<p>committee was supportive of the general move to thematic committees and the delegation of work <i>if</i> they were given the ability to vote.</p> <ol style="list-style-type: none"> <li>1. The terminology be reviewed so that there was a consistent approach rather than, for example, the alternating use of thematic, and executive, committees.</li> <li>2. The Monitoring Officer confirmed that under the terms of the 2017 order that combined authorities were unable to pay allowances. However, in order to assist the constituent councils with their own remuneration deliberations, the Cambridgeshire and Peterborough Combined Authority should provide assessments of the work involved in committee roles.</li> <li>3. The Combined Authority Board would have to take particular care of conflicts of interest when ratifying the appointments of chairs of the committee, given that constituent councils were likely to put forward members with experience and ability in these roles who likely sat on other committees and boards.</li> <li>4. It was not clear how the concept of informal advisory groups would work in practice and how they linked in with the committees. It was felt it would be useful to include information on who calls for these groups, how their brief was set and how they were organised. It was suggested that in six months' time and in the light of some experience, further clarity on their operation should be provided.</li> <li>5. The Combined Authority Board needed to establish resource requirements and make suitable financial provision to deliver the governance requirements.</li> <li>6. The Key Functions of the Combined Authority Board (as shown in Appendix A to the report) be amended so that they better captured the requirements of</li> </ol>

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
		<p>the authority's response to the concerns expressed in the external auditor's letter of 1 June 2022. These include:</p> <ul style="list-style-type: none"> <li>a. That the Combined Authority Board's responsibility for driving performance of key deliverables and performance measures for good growth be elevated to a key function and included in the list (a)- (q) and reflected throughout the terms of reference.</li> <li>b. A dynamic element to the key functions be included so that for example (a) should read to set, <i>review, keep up to date and revise</i> the long-term vision of the Combined Authority.</li> <li>c. That a substantive reference to communication and consultation be included as, for example, consultation on the budget was a statutory responsibility</li> <li>d. That the wording of (n) - to exercise general power of competence - be exemplified with a much clearer and stronger statement as to its meaning.</li> </ul> <p>7. The voting arrangements of the Combined Authority Board be explained and set out in the Terms of Reference.</p>

## Overview and Scrutiny Committee Decision Summary

Meeting: 10 January 2023  
 Agenda/Minutes: [Overview and Scrutiny Committee](#)  
 Chair: Lorna Dupré

Summary of decisions taken at this meeting.

Item	Topic	Decision [ <i>None of the decisions below are key decisions</i> ]
1&2.	Apologies & Declarations of Interest	<p>Apologies were received from Councillors Dupre, Goldsack and Dew.</p> <p>Councillor Cane attended as a substitute for Councillor Dupre and Councillor Count as a substitute for Councillor Goldsack.</p> <p>In Councillor Dupre's absence, Councillor Sharp, the Vice-Chair, took on the role of Chair for the meeting.</p> <p>There were no declarations of interest.</p>
3.	Minutes of the previous meeting and Action Log	<p><b><u>RESOLVED</u></b></p> <p>That the minutes of the meeting held on 28 November 2022 be approved as a correct record and that the Action Log be noted.</p>

5.	Budget and Medium-Term Financial Plan (MTFP) Consultation	<p><u>RESOLVED:</u> The committee resolved to submit the following recommendations to the Combined Authority Board as their formal response to the consultation:</p> <p>That:</p> <ol style="list-style-type: none"> <li>1. The CPCA Board should commit to maintaining at least the current level of spending on bus services for the next two years. The board is best placed to decide how to source this funding which would be c£14m (£7m per annum). This commitment would give some assurance to residents that they can continue to travel to work and school, and to access services, and that the Cambridgeshire and Peterborough Combined Authority had a credible, fit for purpose transport system on which residents could depend. This guarantee on funding should be given whilst longer term solutions for delivering services, such as franchising, are explored. The Combined Authority Board should be mindful that in the current climate bus operators could be expected to be further supported by Combined Authority subsidy and therefore maintaining the current level of spending did not necessarily guarantee the same level of services.</li> <li>2. The Board should keep a particularly close eye on the risk of slippage on capital projects and review the work of Internal Audit so that where issues are identified they can establish how best to address and overcome them.</li> <li>3. The Overview and Scrutiny Committee review in advance the process and methodology of any future proposed MTFP consultation. Oversight by the Committee will ensure that the questions asked are focussed and prioritise the CPCA's vision and strategy and will also allow members to make recommendations to encourage greater engagement by the public.</li> <li>4. If the organisation aspires to delivering more ambitious projects that will be reliant on government funding, then the budget for securing this funding needs to be increased.</li> </ol>
----	---	---

		<p>5. The impact on social inequalities and the environment should be evident in all CPCA funding decisions.</p> <p>6. If the Board decide that a Mayoral Precept is the best option to raise funds then it should identify and guarantee what the money raised will be spent on. E.g. It has been identified that a precept of £12 per household at Band D council tax (with corresponding amounts for higher and lower bands) would raise the £3.5 million that it is estimated will be needed to maintain the current level of bus services.</p>

## Overview and Scrutiny Committee Decision Summary

Meeting: 23 January 2023  
 Agenda/Minutes: [Overview and Scrutiny Committee](#)  
 Chair: Lorna Dupré

Summary of decisions taken at this meeting.

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
1&2.	Apologies & Declarations of Interest	Apologies were received from Councillors Harvey, Van de Weyer, Miscandlon and Smith. Councillor Fane attended as a substitute for Councillor Harvey. There were no declarations of interest.
3.	Minutes of the previous meeting and Action Log	<u>RESOLVED</u> That the minutes of the meeting held on 10 January 2023 be approved as a correct record and that the Action Log be noted.
5.	Improvement Framework	<u>RESOLVED:</u> That the Improvement Framework report going to the Combined Authority Board on 23 January 2023 be noted and that the following feedback be submitted to the Board:  a) On reviewing the new governance arrangements that form part of the Improvement Plan, the committee highlighted the need for Overview and Scrutiny to be fully integrated with the new committee structure, and for members to be fully engaged and informed.

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
		<p>b) In order to fulfil a developing role, the information provided to the Overview and Scrutiny Committee needed to be much more timely. The move to a Forward Plan giving up to six months' notice of items of business was welcomed and would aid the Committee to look ahead for priority strands of work.</p> <p>c) There was concern about the possible risk of non-alignment of the LTCP with emerging government guidance and although officers allayed concerns to a degree and stated that there were unlikely to be any surprises, the Board would need to be mindful of governmental delays impacting the pace of the Improvement Plan's implementation in this regard.</p> <p>d) The Mayoral Ambition Statement and the Combined Authority's Corporate Strategy needed to be triangulated with the objectives of government as without this alignment there was a danger that the funding to deliver projects would not be forthcoming.</p> <p>e) Given the focus on the Bus Strategy, more realistic timescales for bus franchising needed to be set. The Chief Executive outlined to members that in two years' time the Combined Authority could be at the point of agreeing the business case for franchising but then there would need to be another period of time to implement plans and put in place the considerable number of staff that would be needed. The Chief Executive also referenced the need to factor in any unforeseen financial risk should the bus franchising operation not go to plan. This could further delay decision making or potentially derail the project if this underwriting of financial risk was not accepted by the CPCA. It was felt that this detail and nuance was not coming through in reports and documents.</p>

Item	Topic	Decision <i>[None of the decisions below are key decisions]</i>
		f) The committee noted the number of amber ratings in the report and would ask Board members to consider whether they were content that these were just due to a change of scope and more realistic timelines, or whether there were any other issues that should be of concern.
6.	Local Transport and Connectivity Plan	<p><u>RESOLVED:</u></p> <p>That the committee:</p> <p>1. Note the report which provides an update on the local Transport and Connectivity Plan, specifically in relation to the DfT guidelines deadlines and progress to date.</p>
7.	Demand Responsive Transport	<p><u>RESOLVED:</u></p> <p>That the committee:</p> <p>1. Note the report which provides an update on the Combined Authority's use of Demand Responsive Transport (DRT) and the Ting trial in particular</p>
8.	Budget Scrutiny – Responses to the Consultation	<p><u>RESOLVED:</u></p> <p>That the responses to the consultation be noted.</p>
10.	Combined Authority Board Agenda	Members did not put forward any questions to be asked at the CA Board meeting on 25 January 2023.

10.	Overview and Scrutiny Work Programme	<u>RESOLVED:</u> a) That the draft work programme as shown at Appendix 1 be noted.  b) That the February reserve meeting date be used for a virtual session to discuss how Overview and Scrutiny will operate within the new committee structure and the development of strategic objectives.
11.	Date and Time of Next Meeting	Monday 20 March 2023 at 11am.
