

**East Cambridgeshire District Council**

# **Licensing Act 2003**

# **STATEMENT OF LICENSING POLICY**

Published: 10 November 2020  
Effective: 7 January 2021

## **Representations**

- 1.51 Any Responsible Authority or “other person” may make relevant representations on applications for the grant or variation or minor variation of a premises licence or club premises certificate and request reviews of licences or certificates that have been granted.
- 1.52 A representation will only be ‘relevant’ if it relates to the likely effect of the grant of the licence on the promotion of at least one of the four licensing objectives. In addition, in the case of a representation submitted by an “other person”, the representation must not be frivolous or vexatious.
- 1.53 The licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made, including the name and address of the person who submitted it. Unless a person making a representation can satisfy the licensing authority that there are exceptional reasons as to why their name and address should not be made public (in which case some or all of their details may be withheld), these details will be released. Due to this “other persons” may wish to approach a responsible authority or ward councillor with their concerns.
- 1.54 In all cases, applicants and those making representations that are genuinely aggrieved by a decision of the Licensing Committee are entitled to appeal to the Magistrates’ Court against the decision of the committee.
- 1.55 Where the Responsible Authorities or an “other person” does not raise any relevant representations about the application made to the Licensing Authority, the Licensing Authority will grant the premises licence or club premises certificate subject only to conditions that are consistent with the operating schedule and any mandatory conditions prescribed by the Licensing Act 2003.

## **Conditions**

- 1.56 Licensing is about the appropriate control of licensed premises, qualifying clubs, temporary events and the people who manage them or hold personal licences within the terms of the 2003 Act.
- 1.57 The Licensing Authority may not impose any conditions unless its discretion has been engaged following the making of relevant representations, or in the case of a temporary event notice relating to an event being held on a licensed premises where an objection notice is received, and it has been satisfied at a hearing that it’s appropriate to impose conditions due to the representations/ objection notice raised. It may then only impose such conditions as are appropriate to promote the licensing objectives arising out of consideration of the representations/ objection notice.
- 1.58 The Licensing Authority actively promotes the benefits of partnership working between the Council and local businesses to enhance business operations and

thereby achieves the community benefits of minimisation of waste, enhancement of the street scene, promotion of community safety, reduction of the fear of crime and the encouragement of tourism and inward investment.

- 1.59 To maximise the efficiency of administering licences and reduce the necessity for hearings, the Licensing Authority will actively encourage applicants and clubs to consult with Responsible Authorities and seek professional guidance from Council services, when operating schedules are being prepared to allow for proper liaison to take place in such areas as noise reduction, CCTV, refuse and litter, etc., to avoid representations being necessary. The Licensing Authority accepts that while some applicants may find it useful to contact the Responsible Authorities and Council services for advice and professional assistance, others will not need to do so, and that applications cannot be refused on the basis that such consultation has not taken place.
- 1.60 Where relevant representations are made, the Licensing Authority will weigh up all the evidence and determine the application with the requirement to uphold the licensing objectives at the front of their minds.
- 1.61 Any conditions arising from the operating schedule or as a result of representations will focus primarily upon the direct impact of the activities taking place at licensed premises on those attending the premises and members of the public living, working or otherwise engaged in normal activity in the area concerned and will cover matters that are within the control of individual licensees.
- 1.62 The Licensing Authority acknowledges that the licensing function cannot be used for the general control of the anti-social behaviour of individuals once they are beyond the direct control of the licensee of any premises concerned. However, other mechanisms may be utilised, where appropriate, to tackle unruly or unlawful behaviour of consumers when beyond the control of the individual, club or business holding the licence, certificate or authorisation concerned. These could include
- planning controls
  - positive measures by the Council to create a safe and clean town environment in partnership with local businesses, transport **operators, etc.**
  - the provision of CCTV surveillance in town centres, ample taxi ranks, provision of public conveniences open late at night, street cleaning and litter patrols
  - powers of local authorities to designate parts of the local authority area as places where alcohol may not be consumed publicly
  - police enforcement of the general law concerning disorder, anti-social behaviour and ASBOs, including the issuing of fixed penalty notices for disorder, making dispersal orders, etc.
  - the prosecution of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk
  - the confiscation of alcohol from children and adults in designated areas
  - police and/or local authority powers to close down instantly for up to 24 hours any licensed premises or temporary events on grounds of disorder, the likelihood of disorder or noise emanating from the premises causing a nuisance

- the power of the police, other responsible authorities or a local resident or business to seek a review of the licence or certificate in question.

1.63 If an applicant volunteers a prohibition or restriction in his/her operating schedule because his/her own risk assessment has determined such prohibition or restriction to be appropriate, such volunteered prohibitions or restrictions will become conditions attached to the licence or certificate and will be enforceable as such. The Licensing Authority reserves the legal right to amend the wording of offered prohibitions or restrictions to ensure they are clear and enforceable, but will ensure that the amended wording does not go beyond the original offering.

1.64 The Licensing Authority recognises that all applications should be considered on an individual basis and any condition attached to such a licence will be tailored to each individual premises, to avoid the imposition of disproportionate and other burdensome conditions on those premises. Standard conditions, other than mandatory conditions, will, therefore, be avoided and no condition will be imposed that cannot be shown to be appropriate for promotion of the licensing objectives.

### 3.0 LICENSING OBJECTIVES

3.1 The following sections set out the Licensing Authority's Policy relating specifically to the four licensing objectives

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm.

3.2 In each section relating to the objectives, the Licensing Authority has defined its intended outcome in bold type. Each section then lists the influencing factors on the achievement of that objective but, because of the wide variety of premises and activities to which this policy applies, the lists provided are not exhaustive. **Applicants should know their premises best and will be expected to address all aspects relevant to the individual style and characteristics of their premises and events.**

3.3 Further, in each section, a list of possible control measures is provided, to be of assistance to applicants, but again is not intended to be an exhaustive list. Many control measures achieve more than one objective but have not necessarily been listed under each objective. Similarly, applicants will not be required to mention a control measure more than once in their operating schedule.

3.4 **The selection of control measures, referred to in 3.3 above, should be based upon a risk assessment of the premises, events, activities and the customers expected to attend (e.g. their age, number, etc.).** Whilst the Licensing Authority cannot require such risk assessments to be documented (other than where required by other legislation), it considers such documentation to be good practice and a useful tool in the instruction and

training of staff, as well as a sound basis for review by the licence holder, in the event of requiring to make application for variation or in response to changing circumstances/conditions at the premises.

- 3.5 Additional measures may be appropriate on an occasional or specific basis such as when a special event (e.g. popular live band) or promotion (e.g. during major sporting occasions) is planned, which is intended, or likely, to attract larger audiences and/or audiences of a different nature, and which can have a significant impact upon the achievement of the licensing objectives. **Reference must be made in an applicant's operating schedule, where applicable, to such occasions and the additional measures that are planned to achieve the licensing objectives.**
- 3.6 The Licensing Authority considers the effective and responsible management of the premises, instruction, training/awareness and supervision of staff and the adoption of best practice to be amongst the most essential control measures for the achievement of all the licensing objectives. **For this reason, these elements should be specifically considered and addressed within an applicant's operating schedule.**
- 3.7 In addition, the occupancy capacity for premises, and events as appropriate, is also considered to be an essential factor in achieving the four licensing objectives (except in respect of premises licensed for the consumption of food and/or alcohol off the premises). **The Licensing Authority will expect the issue of occupancy capacity to be considered and addressed, where necessary, within an applicant's premises risk assessment.**
- 3.8 The design and layout of premises are important in determining capacity, as is the availability and size of exits within recommended travel distances. Other factors should also be considered when assessing the appropriate capacity for premises or events. These could include
- the nature of the premises or event
  - the availability of alcohol treatment services to the premises or event
  - the nature of the licensable activities being provided
  - the provision or removal of such items as temporary structures, such as a stage, or furniture
  - the number of staff available to supervise customers both ordinarily and in the event of an emergency
  - the age of the customers
  - the attendance by customers with disabilities or whose first language is not English
  - availability of suitable and sufficient sanitary accommodation
  - nature and provision of facilities for ventilation
  - provision of seating
  - retention of room divisions to minimise the effect of any disorderly activity
  - use of separate areas in single-room pubs to minimise the effect of any disorderly activity.
- 3.9 The agreement to a capacity for premises or events should not be interpreted as a requirement to also provide permanent monitoring arrangements such as

door staff, attendance clickers or maintenance of attendance records. The Licensing Authority recognises that the person in charge at the premises can often readily assess the occupancy level of the premises without resort to such measures. **However, where the capacity is likely to be reached (such as on known busy evenings) and particularly where a special event or promotion is planned, the applicant will be expected to implement additional arrangements that will be put in place to ensure that the capacity of the premises is not exceeded.**

## 4.0 PREVENTION OF CRIME AND DISORDER

4.1 East Cambridgeshire District Council is committed to improving further the quality of life for the people of the district by continuing to reduce crime and the fear of crime.

4.2 Section 17 of the Crime and Disorder Act 1998 introduced a wide range of measures for preventing crime and disorder and imposed a duty upon East Cambridgeshire District Council, Cambridgeshire Police, Cambridgeshire County Council and others to consider crime and disorder reduction in the exercise of all their duties. The Licensing Act 2003 reinforces this duty for local authorities.

4.3 The promotion of the licensing objective to prevent crime and disorder places a responsibility on licence holders to become key partners in achieving this objective. **Applicants will be expected to demonstrate in their operating schedule that suitable and sufficient measures have been identified and will be implemented and maintained to reduce or prevent crime and disorder on and in the vicinity of their premises, relevant to the individual style and characteristics of their premises and events.**

4.4 When addressing the issue of crime and disorder, the applicant should demonstrate that those factors that impact upon crime and disorder have been considered. These could include

- under-age drinking
- drunkenness on premises
- public drunkenness
- drugs
- violent behaviour
- anti-social behaviour.
- alcohol pricing, and marketing

4.5 The following examples of good management practice are given to assist applicants who may wish to take account of them when preparing their operating schedule, having regard to their particular type of premises and/or activities:

- effective and responsible management of premises
- training and supervision of staff
- adoption of best practice guidance (e.g. licensing trade voluntary codes of practice, including those relating to drinks promotions)

- acceptance of accredited 'proof of age' cards e.g. PASS, locally approved 'proof of age' cards e.g. 'Prove It' and/or 'new type' UK driving licences with photographic ID
- provision of effective CCTV in and around premises (e.g. CCTV systems may need to be checked to ensure they are fit for purpose, the evidential quality of the images provided may need to comply with the Home Office Scientific Development Branch Guidance on Public Space CCTV Systems, there may be a requirement for the system to be compatible to and connected to the Streetsafe East Cambridgeshire CCTV Control Room for the purposes of monitoring and recording if on the public highway)
- employment of Security Industry Authority licensed door supervisors
- provision of toughened or plastic drinking vessels
- provision of secure, deposit boxes for confiscated items ('sin bins')
- provision of security measures, such as lighting outside premises
- membership of local 'Pubwatch' schemes or similar organisations.

4.6 Within the operating schedule for premises from which alcohol will be sold, the premises licence holder must specify a personal licence holder as the 'Designated Premises Supervisor' (DPS). The Licensing Authority will normally expect the premises licence holder to give the DPS the day-to-day responsibility for running the premises. Although there is no legal obligation for the DPS to be on the premises at all times, the Licensing Authority acknowledges that the premises licence holder and the DPS, in particular with regard to the sale of alcohol, remain responsible at all times, including in their absence from the premises, for compliance with the terms of the Licensing Act 2003 and conditions attached to the premises licence to promote the licensing objectives. In addition to the DPS holding a personal licence, the Licensing Authority would strongly encourage the DPS to undergo additional training and to have experience commensurate with the nature and style of entertainment provided and the capacity of the premises.

4.7 Whilst the Licensing Act 2003 requires each sale of alcohol to be made or authorised by a personal licence holder, there is no requirement for every sale to be made by a personal licence holder or for them to be personally present at every transaction. In determining whether real authorisation is given, the Guidance issued by the Secretary of State encourages the practice of an overt act of authorisation, such as a specific written statement being given by personal licence holders to persons not holding a personal licence to make sales of alcohol in their absence.

4.8 Certain temporary events are not required to be licensed but can be notified to the Licensing Authority using the Temporary Event Notice procedure. However, depending upon the nature and location of such events, these can have serious crime and disorder implications. Organisers of these events are encouraged to submit their notification as soon as reasonably practicable, giving at least ten clear working days, or five clear working days (Late TENs) minimum statutory notice, to enable the police, and environmental health to consider them. The Licensing Authority acknowledges that 'working days notice' means working days exclusive of the day on which the event is to start and exclusive of the day on which the notice is given.

## 5.0 PUBLIC SAFETY

5.1 East Cambridgeshire District Council is committed to ensuring that the safety of any person visiting or working in licensed premises is not compromised. **To this end, applicants will be expected to demonstrate in their operating schedule that suitable and sufficient measures have been identified and will be implemented and maintained to ensure public safety, relevant to the individual style and characteristics of their premises and events.**

5.2 When addressing the issue of public safety, an applicant must demonstrate that those factors that impact upon the standards of public safety have been considered. These could include

- the occupancy capacity of the premises
- the age, design and layout of the premises, including means of escape in the event of fire
- the nature of the licensable activities to be provided, in particular the sale or supply of alcohol, and/or the provision of music and dancing and including whether those activities are of a temporary or permanent nature
- the hours of operation (differentiating the hours of opening from the hours when licensable activities are provided, if different)
- customer profile (e.g. age, disability)
- the use of special effects such as lasers, pyrotechnics, smoke machines, foam machines, etc.

5.3 The following examples of good management practice are given to assist applicants who may wish to take account of them when preparing their operating schedule, having regard to their particular type of premises and/or activities:

- suitable and sufficient risk assessments
- effective and responsible management of premises
- provision of a sufficient number of people employed or engaged to secure the safety of the premises and patrons
- appropriate instruction, training and supervision of those employed or engaged to secure the safety of the premises and patrons
- adoption of best practice guidance (e.g. licensing trade voluntary codes of practice, including those relating to drinks promotions)
- provision of effective CCTV in and around premises (e.g. CCTV systems may need to be checked to ensure they are fit for purpose, the evidential quality of the images provided may need to comply with the Home Office Scientific Development Branch Guidance on Public Space CCTV Systems, there may be a requirement for the system to be compatible to and connected to the Streetsafe East Cambridgeshire CCTV Control Room for the purposes of monitoring and recording if on the public highway)
- provision of toughened or plastic drinking vessels
- implementation of crowd management measures

- proof of regular testing (and certification where appropriate) of procedures, appliances, systems etc. pertinent to safety.

## **6.0 PREVENTION OF PUBLIC NUISANCE**

- 6.1 Licensed premises have a significant potential to impact adversely upon communities through public nuisances that arise from their operation. East Cambridgeshire District Council wishes to maintain and protect the amenity of residents and other businesses from the potential consequence of the operation of licensed premises, whilst recognising the valuable cultural, social and business importance that such premises provide.
- 6.2 The Licensing Authority intends to interpret “public nuisance” in its widest sense and takes it to include such issues as noise, light, odour, litter and anti-social behaviour, where these matters impact upon those living, working or otherwise engaged in normal activity in an area.**
- 6.3 Applicants need to be clear that the Licensing Authority will normally apply stricter conditions, including controls on licensing hours, where licensed premises are in residential areas and where relevant representations have been received. Conversely, premises for which it can be demonstrated have effective measures planned to prevent public nuisance may be suitable for 24-hour opening.
- 6.4 In the case of shops, stores and supermarkets selling alcohol, the Licensing Authority will normally permit the hours during which alcohol is sold to match the normal trading hours unless there are exceptional reasons relating to disturbance or disorder.
- 6.5 Applicants will be expected to demonstrate in their operating schedule that suitable and sufficient measures have been identified and will be implemented and maintained to prevent public nuisance, relevant to the individual style and characteristics of their premises and events.**
- 6.6 When addressing the issue of prevention of public nuisance, the applicant must demonstrate that those factors that impact on the likelihood of public nuisance have been considered. These may include
- the location of premises and proximity to residential and other noise sensitive premises, such as hospitals, hospices and places of worship
  - the hours of opening, particularly between 23.00 and 07.00
  - the nature of activities to be provided, including whether those activities are of a temporary or permanent nature and whether they are to be held inside or outside premises
  - the design and layout of premises and, in particular, the presence of noise-limiting features
  - the occupancy capacity of the premises
  - the availability of public transport

- 'wind down period' between the end of the licensable activities and closure of the premises
- last admission time.

6.7 The following examples of control measures are given to assist applicants who may need to take account of them in their operating schedule, having regard to their particular type of premises and/or activities:

- effective and responsible management of premises
- appropriate instruction, training and supervision of those employed or engaged to prevent incidents of public nuisance, e.g. to ensure customers leave quietly
- control of operating hours for all or parts (e.g. garden areas) of premises, including such matters as deliveries
- adoption of best practice guidance (e.g. licensing trade voluntary codes of practice, including those relating to drinks promotions)
- installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices
- management of people, including staff, and traffic (and resulting queues) arriving and leaving premises
- liaison with public transport providers
- siting of external lighting, including security lighting
- management arrangements for collection and disposal of litter
- effective ventilation systems to prevent nuisance from odour.

## **7.0 PROTECTION OF CHILDREN FROM HARM**

7.1 The protection of children from harm is a most important issue. It is hoped that family-friendly premises will thrive but the risk of harm to children remains a paramount consideration when determining applications.

7.2 The general relaxation in the Licensing Act giving accompanied children greater access to licensed premises is a positive step, aimed at bringing about a social change in family-friendly leisure. Clearly, this relaxation places additional responsibilities upon licence holders. However, it is also recognised that parents and others accompanying children also have responsibilities.

7.3 The protection of children from harm includes the protection of children from moral, psychological and physical harm. Potential harm can come from interactions with other persons, and from the broadcast of media such as, the exhibition of films, or the transmission of live broadcast programmes or social media whilst on licensed premises.

7.4 The Licensing Authority considers that, on the one hand, there should be no presumption of giving children access or, on the other hand, no presumption of preventing their access to licensed premises. The Licensing Authority has no intention of imposing conditions requiring the admission of children and where no licensing restriction is appropriate, admission of children will remain entirely a matter for the discretion of the individual licensee or club, or person

who has given a temporary event notice, subject to compliance with the general provisions of the 2003 Act.

**7.5 Applicants will be expected to demonstrate in their operating schedule that suitable and sufficient measures have been identified and will be implemented and maintained to protect children from harm, relevant to the individual style and characteristics of their premises and events.**

7.6 Whilst children may be protected adequately from harm by the action taken to protect adults, they may also need special consideration and no policy can anticipate every situation. When addressing the issue of protecting children from harm, the applicant must demonstrate that those factors that impact upon harm to children have been considered. Areas that will give particular concern in respect of children include

- where entertainment or services of an adult or sexual nature are commonly provided
- where there have been convictions of members of the current staff at the premises for serving alcohol to minors or with evidence of under-age drinking
- where there's a known association with drug taking or dealing
- where there's a known association with the provision of illicit goods
- where the premises or event supplying alcohol is in close proximity to services where young and/or vulnerable persons may frequent
- where there is a strong element of gambling on the premises, and
- where the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided at the premises.

7.7 The following examples of control measures are given to assist applicants and are considered to be amongst the most essential that applicants should take account of in their operating schedule, having regard to their particular type of premises and/or activities:

- effective and responsible management of premises
- provision of a sufficient number of people employed or engaged to secure the protection of children from harm
- appropriate instruction, training and supervision of those employed or engaged to secure the protection of children from harm
- adoption of best practice guidance (e.g. licensing trade voluntary codes of practice, including those relating to drinks promotions)
- avoiding alcohol branding that is targeted at young persons, such as alcopops
- limitations on the hours when children may be present, in all or parts of the premises
- limitations or exclusions by age when certain activities are taking place
- imposition of requirements for children to be accompanied by an adult
- acceptance of PASS accredited 'proof of age' cards and/or 'new type' UK driving licences with photographic ID
- measures to ensure that children do not purchase, acquire or consume alcohol

- measures to ensure that children are not exposed to incidences of violence or disorder.

These examples can be adopted in any combination.

- 7.8 **In the case of film exhibitions, the Licensing Authority will expect licence and certificate holders and those who have given notice of a temporary event within the terms of the 2003 Act to implement measures that restrict children from viewing age-restricted films classified according to the recommendations of the British Board of Film Classification or East Cambridgeshire District Council. In the case of a film exhibition that has not been classified, the Licensing Authority will expect the licensee to conduct an assessment of the suitability of the film for exhibition to children and to implement measures that restrict viewing by children if appropriate.**
- 7.9 If considered appropriate, the Licensing Authority may require that adult supervisors be checked for suitability to work with children.
- 7.10 The Licensing Authority will rarely impose complete bans on access to children. In exceptional circumstances, conditions restricting access or excluding children completely may be considered appropriate.
