Recycling & Organics Collection Service

This scheme has continued to change both recycling and organic waste collection services to wheeled bins, whilst retaining weekly black sack collections for a minimum five year period. It will allow expansion of the range of materials collected for recycling to include plastic bottles, food containers and drinks cartons, also allowing the transfer of cardboard from organics collections to recycling. The budget above is to purchase vehicles and wheelie bins.

Conservation Area Schemes

This scheme is for the Steeple Row enhancement, led by Ely Perspective for public realm improvements in the Steeple Row area. The remaining balance is required to provide partnership funding towards a larger Heritage Lottery Scheme currently being worked on by Ely Cathedral for enhancements to the entire cathedral precinct.

Mandatory Disabled Facilities Grants

Provided to enable disabled people, including children, to remain in their own home. Due to an ageing population the demand for this type of grant is likely to increase and capital funding will need to continue to enable the Council to meet this statutory function. Part grant funded from the Better Care Fund.

Empty Properties, Discretionary DFGs, Minor Works & Home Repair Asst.

Grant provided to owner occupiers on an income related benefit to carry out essential repairs and energy efficiency work to their homes, to ensure that they meet the decent homes standard.
