### **Leisure Services – 2017/18**

#### **Service Overview**

Sport and physical activity is now explicitly recognised by Central Government as contributing to wider social and health outcomes, including social and economic development, physical and mental health and quality of life. Leisure provision is therefore part of the 'added value' which an authority can help to generate for its community, by working with a range of external interests and partners - particularly including sports bodies and health agencies.

In East Cambridgeshire, the principal platform for this provision comprises Paradise Pools (owned and supported by ECDC, to be replaced in early 2018 by the new centre at Downham Road); and a diverse network of independent facilities, owned and managed by local trusts or schools. Strengthening this network – through the delivery of the new centre, and by providing support and guidance to the other centres – is a recognised Corporate Priority., The built assets however are the means, not the end; and this work must be integrated with broader initiatives to develop and support participation levels.

The leisure services function is carried out by a Senior Officer, who works in collaboration with colleagues and a range of external partners. The function has four principal areas of activity:

- Working with the district's leisure centres to develop their financial sustainability and their value to the community
- Working with colleagues to deliver the planned new district leisure centre, particularly in developing robust operational arrangements and ensuring that the completed facility is fit for purpose
- Exercising client responsibility for the Authority's own existing facility, the Paradise Pools in Elv
- Working with partners to develop physical activity levels across the district

Leisure Services links with a number of Corporate Priorities, particularly:

"A customer driven efficieent Council with a "can do" attitude and pro business approach and commercially focussed to ensure financial self sufficiency for the tax payer" and

"Making East Cambridgeshire an even better place to live".

#### **Cost of service**

The service budget for 2017-18 comprises:

Paradise Pools £173,041

Support to trust network £ 73,161

Total £246,202
