There were discussions on the budget set by the Police & Crime commissioner, which has a direct impact on the precept raised on each East Cambridgeshire resident.

Report from representative(s)

Councillor Schumann: The health of the local population and health provision in East Cambs fits in with our key priority around making East Cambs a 'fantastic place to live'.

The two key areas for the District Council have been to ensure that funding is provided through the better care fund for the Disabled Facilities Grants and ensuring that the district Council has a clear idea of how it fits in with the Clinical Commissioning Groups work on System Transformation Program. The other benefits are that by attending it ensures a positive relationship with the Health and Care Leads throughout the county.

Report from representative(s):

Councillor Schumann: The provision of sports and leisure facilities for the local population fits in with our key priority around making East Cambs a 'fantastic place to live' and also accords with 'improving infrastructure'.

Funding is always a concern for the sports centre and strategic management with and working with other Sports Centres is going to be important in the future.

Although a regular attendance is not necessary, I believe that a connection between the Sports Centre and the District Council is important.
