Preface

This East Cambridgeshire Local Development Scheme (LDS) was approved by East Cambridgeshire District Council at a meeting of its Council on 16 July 2015 and came into effect immediately. It is the seventh LDS produced by the Council, replacing the previous LDS, dated 11 July 2013.

This LDS is produced under section 15 of the Planning and Compulsory Purchase Act 2004 (as amended).

East Cambridgeshire Local Development Scheme 2015 to 2018

1. Introduction

- 1.1 The Local Development Scheme (LDS) is a timetable which sets out the Development Plan Documents (DPDs) that a local planning authority intends to produce over the next few years. Such DPDs are also known as the Local Plan for an area.
- 1.2 This East Cambridgeshire LDS sets out the timetable for East Cambridgeshire for the period 2015 to 2018. It explains when the Council intends to reach key stages in the preparation of a new Local Plan. This LDS replaces the East Cambridgeshire LDS which was adopted on 11 July 2013.

The Local Plan and Supporting Documents

- 1.3 National planning policy is headlined by the 'National Planning Policy Framework' (NPPF). Locally, we are describing the collection of planning policies for East Cambridgeshire as the 'East Cambridgeshire Planning Policy Framework' (ECPPF) which comprises more than just DPDs (Local Plan).
- 1.4 In summary, the ECPPF comprises the following:
- **Development Plan Documents (DPDs):** These are documents (often referred to as 'Local Plans') that form part of the statutory development plan for the area. They are prepared by the relevant plan-making authority and are subject to independent examination by a planning inspector appointed by the Secretary of State. For East Cambridgeshire, as at July 2015, they are the East Cambridgeshire Local Plan (April 2015), and the Cambridgeshire and Peterborough Minerals and Waste Core Strategy and Minerals and Waste Site Specific Proposals DPDs. This LDS explains that the East Cambridgeshire Local Plan (2015) will be reviewed and replaced by a new Local Plan over the coming few years, whilst the two Minerals and Waste DPDs are to be retained.
 - **Policies Map:** This is a map on an Ordnance Survey base for the whole of a local planning authority's area which shows where policies in DPDs apply. The Policies Map may include inset maps for particular areas to show information at a larger scale. The Policies Map is updated each time that a DPD (including a Minerals and Waste DPD) is adopted.
 - **Supplementary Planning Documents (SPDs):** These can cover a wide range of issues on which the planning authority wishes to provide guidance to supplement the policies and proposals in its DPDs (Local Plan). They do not form part of the statutory development plan and are not subject to independent examination. The District council can decide to produce an SPD on any appropriate subject whenever the need arises. There is no requirement for this LDS to set out a timetable for the production of any SPDs.
 - **Neighbourhood Plans:** Local communities, including Parish and Town Councils, can now prepare Neighbourhood Plans (NPs) putting in place policies to guide the future development of the area. Any NP must be in general conformity with 'strategic policies' in DPDs (Local Plan) and with national policy. NPs are not able to propose lower levels of development than those set out in up to date Local Plans but could propose higher levels, or offer other detailed policy proposals. It is up to local communities to decide if it wants to produce a Neighbourhood Plan and so it is not appropriate for this LDS to specify when, or for where, they will be produced. Any NP, if adopted, has the same status as a DPD.

- **Statement of Community Involvement (SCI):** This is a document that explains how the local planning authority will engage the community in the preparation, alteration and review of planning documents, and in development control decisions. It is required to specify how and at what stages people will have the opportunity to be involved in planning for their area. A refresh of East Cambridgeshire's SCI is due later in 2015.
- **Authority's Monitoring Report:** This is a report which must be produced by the local planning authority (on an annual basis) to explain how the local development scheme is being implemented and the extent to which policies in the Local Plan are being achieved.

1.5 Further details on the adopted East Cambridgeshire documents can be found in Tables 2 and 3.

Joint Working Arrangements and Joint Local Plans

1.6 The District Council has a good track record of joint working with other authorities, and has especially close ties with other Cambridgeshire districts.

1.7 However, there are no plans to establish formal joint working arrangements or a joint committee (under section 29 of the Planning and Compulsory Purchase Act 2004) with any other local planning authority, but the District Council will fulfil its responsibilities under the duty to co-operate requirements of s33A of the Planning and Compulsory Purchase Act, and keep open the possibility of joint evidence studies, and, if appropriate, the preparation of a joint plan or SPDs.

2.0 Local Plan Timetable

2.1 There are a number of stages involved in producing a DPD (Local Plan). This process allows for opportunities for the public to be involved, early resolution of conflicts/objections, and an Independent Examination. The stages in producing a Local Plan, and the intended time of those stages for the new Local Plan, are set out in Table 1.

3.0 Subject Matter and Geographical area of a new East Cambridgeshire Local Plan (DPD)

3.1 To meet the requirements of section 15 (2)(b) of the Planning and Compulsory Purchase Act 2004, it is confirmed that the subject matter of the new Local Plan (DPD) for East Cambridgeshire will include:

- A vision for the future of East Cambridgeshire
- Policies for community-led developments
- Housing policies and allocations for housing
- Employment allocations and policies
- Retail policies
- Transport policies
- Culture, Leisure and Tourism policies
- If required, policies and land allocations on other subject matters

3.2 The Local Plan will cover the whole administrative area of East Cambridgeshire. It will replace the current Local Plan (2015) in its entirety.
