**Reasons for comment:** - No Objection

**Comments:** 10:25 PM on 04 Dec 2017 I think I will be a great asset to the village. It will also get a lot of fraud from the local punters at the leigon so the placement is perfect. The car park is often empty so it won't cause any problems I.

**Reasons for comment:** - No Objection

**Comments:** 8:56 PM on 04 Dec 2017 Please consider granting this application. Sutton has far fewer facilities than many villages in East Cambs of comparable size, and I feel that this would be a real asset to the community, providing a takeaway service that currently is only offered nearby in Ely or Chatteris, meaning consumers have to drive or request delivery. This van would enable consumers to walk or only drive short distances to collect their takeaway, so the potential for carbon emissions is lowered, in addition to giving consumers a greater choice than that offered by the small number of takeaway outlets currently in the village.

**Reasons for comment:** - No Objection

**Comments:** 6:51 PM on 04 Dec 2017 I strongly support this application as a much needed local amenity. The location appears well sited to cause minimal disturbance to residents in the area or traffic disruption and will be an asset to Sutton and the surrounding area.
